Management study approved by Council

At their regular meeting September 17, council considered a recommendation from committee of the whole that they authorize a management study of council and administration. The recommendation carried 4-3. Coun. Bakker thought the move was a waste of money at the time. Perhaps it could be reviewed after the new administrator is here he said, concluding with "we can save ourselves, \$8,000."

Coun. Lukay thought the recommendation should be

supported. "We have no one with practice in this area and can get guidelines from a consultant. For four years we have attempted to solve problems which are not solved."

Coun. Fyfe was in favor of the study but opposed to the timing and suggested that the administrator be hired first and begin sorting out problems that council has pinpointed. "If we are still not satisfied, then appoint a consultant," "How long?" asked Coun. Lukay, and re-

ceived the reply, three to six months after he begins employment.

Mayor Gibbon felt that neither the necessary expertise or the time required was available on council, and that "we should not hold back on the management study, which goes hand in hand with hiring an administrator. The new administrator could then administer new policies."

"When council drove out the present administrator," said Coun. Hudson, "it puts

Perron Store Sold To Electrical Firm

For over 80 years, St. Albert has blossomed along the path of history with at least one Perron merchant doing business along its oldest downtown street . . . however, last Friday, that long and distinguished career was ended when Gene Perron sold his store to Roger Montpetit. The noted Perron merchant, second in

a long line of businessmen has decided to retire. Mr. Montpetit, founder and operator of Sturgeon Electric will open an electrical retail store.

Gene Perron and his wife Evelyn launched their first retail store venture back in 1936 from premises located where the Sport Shop is now located. When World War 2

broke out, Gene volunteered in the RCAF and served until the end of hostilities as an equipment serviceman. During his absence, his wife Evelyn managed the store.

In 1951 Gene and Evelyn's general store had outgrown its premises and so it was at that time the Perrons decided to build on their own lot located at the northwest corner of St. Anne and Perron Street. This is the property the Perrons sold last Friday to Mr. Montpetit, thus ending about 84 continuous years when Perron's operated businesses along Perron street in St. Albert.

The first Perron to settle in St. Albert was Gene's father, Fleuri, who arrived here in 1883. From that year until his death in 1930, Fleuri Perron was a highly motivated citizen and businessman. He operated a wide variety of businesses including general stores, a hotel and the such. All the while, Fleuri Perron served on the first council of St. Albert and became one of this town's most distinguished mayors. Perron Street was named after this pioneer businessman.

During Gene and Evelyn Perron's 37 years in business, they worked as an unbeatable team. Gene never missed a day at the firm's books while Gene developed a thriving business which became a noted landmark . . . a good place to buy groceries, pay utility bills and review local happenings.

During all this time, Gene Perron was also active in

Dignitaries stood for the photographers a few short moments before Mayor Ray Gibbon snipped the ribbon to officially open Standard General Construction Limited's headquarters building last Thursday. Standard General Opens New H.Q. In St. Albert

Standard General Construction Limited officially opened its new \$750,000 northern Alberta headquarter complex here in St. Albert last Thursday afternoon.

Performing opening ceremonies was Mayor Ray Gibbon accompanied by officials of BACM Industries Ltd. and Standard General Construction Limited. Also present were hundreds of invited guests who were treated to a tour of the modern headquarters building then entertained at a reception at Club Mocombo later that same afternoon.

Standard General Construction Limited broke sod at 23 Billerose Drive in October of 1972. The facility, comprising of space for headquarter offices for nor-

thern Alberta plus elaborate quarters for the construction company's heavy equipment, was coupled this spring and finishing touches were completed just before the official opening last Thursday. The smartly-designed building is a two-storey structure measuring 190 ft. by 112 ft. in depth.

The front part of the building houses offices, reception area and board rooms while the rear portion of the structure accommodates six bays in which construction machines can be stored or lodged while being serviced.

On official opening day last Thursday, Standard General Construction Limited's local vice-president, Arnold Berg welcomed his guests, introduced prin-

ciples of BACM and Standard General including: Saul Simkin, A. L. Simkin and Blackie Simkin as well as R. F. Jennings, all top echelon executives of the multi-level firm which is a subsidiary of Genstar Limited. Blackie Simkin, besides being vice-president of

Parents meeting set on Kindergarten

Parents interested in exploring the possibility of getting another kindergarten or preschool started in St. Albert are invited to a meeting on Wednesday, October 3, in the Clubhouse. Councillor Myrna Fyfe has made arrangements for the meeting in view of the fact that there is presently a long waiting list of children for whom no facilities are available.

She is planning to have some people knowledgeable in getting such a program started attend the meeting as well, and the response of parents will give indication of the type of facility needed, and the urgency of the situation.

The Clubhouse is located on Grenfell Avenue, beside the swimming pool.

Lacombe museum draws over 10,000 visitors from around the world

Throughout the busy summer, the Father Lacombe Museum has attracted over 10,000 visitors. This fantastic figure includes not only local residents and Albertans but also guests from all parts of Canada, Europe, the United States, Japan and Australia and only points out further the need for expanded facilities on the museum site. People from all over the world are interested in the history of our area, and in the little chapel built by Father Lacombe, 112 years ago, and we in St. Albert must be concerned with its continued preservation.

This is the objective of the St. Albert Historical Society and we invite all residents of the area to join with us to promote and preserve this valuable historical culture.

The Society will be holding a general meeting on Thursday, October 4 at 8 p.m. in the Theatre Arts Room at Paul Kane High

School. All members and interested persons are invited to attend and discover what plans we have made towards our objectives. We'd also like some idea of what our members would like in the form of program and there will be a discussion on local involvement with the museum said Arlene Borgstede, president of the Society.

Marijuana Crop Seized In RCMP Farm Raid

About six p.m. on Wednesday, September 19, four members of the Morinville RCMP Detachment descended upon a farm near Bon Accord and seized 110 lbs. of raw Marijuana.

A citizen of Bon Accord has been charged with possession of Marijuana for the purpose of trafficking, and will appear in St. Albert Court October 3 to face the

charge. The Marijuana confiscated has an estimated 'as is' value of \$8,000 - \$10,000, and consisted of plants ready to harvest, plus a number of packages 'ready for delivery.'

Besides the Marijuana itself, the RCMP also confiscated various paraphernalia including instruments for weights and measures.

Gene Perron (left) shakes hands with Roger Montpetit as the transaction for the Perron Store property is signed and sealed. This marks the end of 37 years in the store business for Mr. Perron. Roger Montpetit, owner of Sturgeon Electric will convert the Perron Store into Sturgeon Electrical Supplies, a self-serve outlet handling everything electrical from light bulbs, fans and remote controls for garage doors to complete building wiring kits.

Management Study

Continued from page 1.

In a bind, this is an excellent time to have a management study," he said, "with problems re. rapid growth also confronting us."

Coun. Thronson supported the study also. "For two years we have been waiting for some kind or reorganization. The new administrator could mean something will happen sooner - probably later, on the relation of council to administrator, council to mayor and council to staff."

"I approve, but a study of this type needs written terms of reference to be of any value," said Coun. de Bruijs, "40 per cent of which would come from the administrator. It will be 3-6 months before he is of any use in this matter. And also before the abilities of council can be explored."

"Many problems will be solved by the electorate," observed Councillor Bakker. I support the study now,

said de Bruijs - "we have to live with a bad decision formerly." His motion carried 6-1 with Fyfe opposed.

Installations Held For Fraternal Clubs

Dual installation ceremonies of executives of the St. Albert Knights of Columbus also the Catholic Women's League took place at a solemn mass celebrated last Sunday at 12:30 p.m. Installation officer was Roger Montpetit, Knights of Columbus district deputy and present for the ceremony was the K of C Alberta Provincial Deputy Emil Motoska.

Following mass and installation ceremonies, a reception was held in the

church hall where members of the Knights, CWL and guests enjoyed a social hour.

The Knights have already chartered out a course of activities for the coming year. Starting Sept. 21 the first event on the social and fund raising calendar is the Awards Night. Next will be the sale of tickets with proceeds going towards the handi-bus purchased to transport St. Albert handicapped citizens. In the realm of sports, the Knights will again host the St. Albert K of C Invitational hockey tournament slated for December 1 and 2 and the Provincial K of C hockey tourney scheduled for the Spring of 1974.

The very enjoyable social event of the year is still the wine and cheese party sponsored by the Knights in February. Then, in May there's always the Mother's Day dance. Other fund raising events spearheaded by the Knights is the "Brew Festival" held annually.

The Knights also plan to continue supporting minor hockey as well as minor baseball. Lacrosse, having made its first appearance in 1972 received the support of the K of C's and plans are for continuing this support again this year.

grocery then settle local accounts before deciding what his next move will be. One thing for sure, Mr. Perron said, I wouldn't dream of leaving all those good people in St. Albert.

"I'm afraid they're stuck with Evelynne and me for a long time yet," he said.

The new owners of the Perron property, Roger and Germaine Montpetit both came to St. Albert from Leval about seven years ago. They founded Sturgeon Electric, a thriving electrical contracting and retail firm which has outgrown its present premises on Muir Drive.

In acquiring the Perron property, Roger and Germaine will open what will be known as Sturgeon Electrical Supplies... a retail outlet operated independently from Sturgeon Electric, the contracting section of the firm.

Once the groceries have been disposed of in the Perron premises and a few alterations made to rent out about 600 sq. ft. of floor space, Roger will move his electrical retail supply stock into the new premises on Perron Street while Germaine will continue as manager of Sturgeon Electric on Muir Drive.

Sturgeon Electric on Muir Drive will deal exclusively with the contracting trade

while the Sturgeon Electrical Supply outlet on Perron Street will be a self-serve retail store of everything electrical from light bulbs to complete dwelling-wiring kits. Mr. Montpetit expects to have his new business in full swing before the end of October and was pleased to announce that Mary Joyal, a clerk-cashier for Mr. and Mrs. Perron will join his staff.

Mrs. Mary Joyal, well-known clerk-cashier at Perron's Store for the past 16 years will work for Sturgeon Electrical Supplies in the same capacity soon as this firm remodels the store, disposes of the stock and sets up its new outlet.

Consultants begin on recreation master plan

The firm, G. R. Shelley and Associates Ltd., has recently been retained to prepare a parks and recreation master plan for the Town of St. Albert.

A seven member recreation advisory committee appointed by council May 31 will work closely with the consulting firm, and will provide direction for the study, review recommendations and plans, and act as a liaison with the public, town council and recreation groups and associations.

In a press release the firm stated that when completed, the Master Plan will contain a comprehensive analysis and evaluation of recreation administrative operations, recreation leadership programs, recreational facilities, and park areas. The major objective for the plan will be to pro-

vide immediate and long-term recommendations, guidelines and plans for comprehensive municipal parks and recreation services.

It is expected that the Master Plan will be completed within a four month period of time, according to the release. Public participation and involvement will be encouraged over the

term of the study, and public hearings to review and discuss major recommendations and development concepts will be scheduled prior to preparation of the final draft copy.

Individuals or groups desiring more information in respect to Master Plan, 1973-80, are invited to telephone Mr. G. Shelley, 488-6161.

Entries pour in to Arts Centre

It seems residents of St. Albert attending the recent Arts Fair held by St. Albert Arts and Crafts Guild at St. George Simpson School came, saw, and now they want to try!

Judging by the overflow of registrations for classes pouring into the Guild, items displayed at the Fair sparked the interest and imagination of all ages. Of the 17 children's classes listed on the program, the only remaining vacancies are in advanced model aircraft building, creative dance for eight to 10 year olds and creative drama.

All adult ceramic classes have been filled, but there are still a few openings in other adult courses.

Anyone who has registered for a class is reminded to follow the registration sheet as to starting dates, times and locations of classes. Parents of children taking Saturday classes should note that the first class will be held October 13, a week late due to the Thanksgiving weekend.

The Guild is still taking adult registrations in most classes and this week are

looking particularly for applications to the print making course offered under the instruction of Mrs. Linda James. Forms may be obtained from the Recreation Department and for additional information about the various classes people are invited to call Guild co-ordinator, Lois Folkins at - 459-7344.

French Storyhour at Library

Last spring's popular French Storyhour for Preschoolers will begin again the first week of October. Every Wednesday from 2 to 3 p.m. for 10 weeks, preschoolers are invited to spend a happy hour reading, playing and singing in two languages at the St. Albert Public Library.

There is no charge for this program or any registration necessary. Everyone is welcome.

Gary Wescott at the Embers

Gary Wescott opened a two-week engagement at the Embers Steakhouse on Monday, using some of the original material that he will be recording this fall with a major Canadian company.

The 13 year old son of Mr. and Mrs. Norman Waunch of St. Albert began his singing career at the age of four on Kiddles on Camera and has been singing ever since. Since signing this year with Bob Green's Artists, he has sung at several well-known night clubs, and recently finished an engagement at Club Morrocco in Winnipeg, where he was booked for two weeks, but held over an additional week.

Gary will also be doing some television appearances this fall, including the Village Lads show.

Around Town

Gorgeous George is certainly going to miss Genal Gene handing out assorted jibes, advice, gossip and guff from behind the counter at 22 Perron Street in the evenings. Which is not to imply that Mr. Kluthe didn't get in his fair share of comments and quips in the friendly exchanges.

On Sept. 20 a dull and drizzly day, some 30 senior citizens enjoyed the Lions bus trip to the Provincial Museum and Archives Bldg. After spending about two hours viewing the various

exhibits, the members ended the tour with luncheon in the cafeteria. Enjoying the tour were Mrs. Ada Hogg's sister, Mrs. Morrison from Manchester, England and Mrs. M. Gobel of St. Albert formerly from Vancouver, B.C. Special thanks was tendered to the Lions Breakfast Club and

their ladies for making the tour possible. Another tour is planned, to the Provincial Legislature, when the Fall sessions start.

spend time with children

The Editor:

Do you know that in St. Albert there are approximately 80 families with boys wanting to attend cubs and that some cub packs will probably fold. The reason: Out of 80 families approximately seven are willing to aid in a fund raising project. No group can operate without funds. Parents were asked at registration to support two projects this year instead of the usual bottle and paper drives of previous years. Yet they are unwilling to give a few hours of their time to their children.

The cub leaders arranged for the cutting of trees to be sold for firewood, and asked for volunteers for cutting. Local businesses were willing to donate trucks for hauling, and one father donated eight chain saws and gasoline. However the parents felt they couldn't give any help as they had some very urgent projects of their own: e.g. washing windows, house painting, shopping. Due to this lack of support it will probably be necessary to disband cubs.

When are parents going to wake up and realize that if we ever hope to overcome the problems of drugs, delinquency etc., time must be spent with our children. We are quick enough to go to our bridge games curling

and parties yet when it comes to supporting the activities of the children, priority is given to window washing! The list of excuses is endless.

These same parents expect cub leaders, schools, churches, sports associations to give of their time, to keep their children occupied and out of the parent's hair, even to the point of asking a cub leader at what time he will drive the boys home from a meeting. Then they refuse to give even two hours to raising money for cubs.

There are some adults (some even without children of their own) in the community willing to give their spare time to YOUR children. Is it asking so much to give a few hours yourself. People are willing to give money but not themselves. How many parents who refused to go on the weekend will tell their children the reason cubs folded was that they had more important things to do than spend a few hours in the country with them.

Mom and Dad will donate \$10 to cubs, scouts, hockey etc., but please son, don't ask us to give you any of our time!

Mrs. Heather Parks,
95 Lambert Cresc.

SWEETHEART JEWELRY

Mayor fights back

The Editor:

I would like to put before your readers some considerations respecting Mrs. L. Bakker's letter on community spirit.

I agree with her comments on Volunteers who assisted in the erection of the Joint facility and have thanked them publicly on more than one occasion.

I disagree with her comments in a number of other areas.

1. The proposal was presented and the building was constructed in 1968 not 1967

2. There were four of the present members on council, being Councillors Bakker, de Bruijn, Lukay and myself.

3. With respect to the persistent vicious game I am supposed to have played the records on file do not bear this out. The following references are given for your information.

Minutes, recommendations and reports are as follows:-

Jan. 8, 1968 - Resolution 5490 Study for Teen Centre.

March 4, 1968 - Resolution 5603 referred a proposal letter from Creative School Society to Finance Committee for Study.

March 18, 1968 - Recommendation (25) to council after hearing a delegation from the Society (including Mrs. Bakker). Councillors Wheatley and myself were the committee members present.

March 25, 1968 - Resolutions 5679, 5680 and 5681 Approving recommendation (25) of Finance Committee.

April 22, 1968 - Resolutions 5755 approving Site of Building.

July 22, 1968 - Resolutions 5945 and 5946 Combining Arts and Crafts Guild

and the Creative School Society buildings.

Mr. Editor, I also enclose for your information a brief presented to council by myself at the March 25, 1968 meeting as well as the Verbatim report regarding the Society's request. Both items are a part of the official minutes of the March 25, 1968 council meeting.

In the last paragraph of my brief you will note I am in favor of the Creative School Society's program. It should be apparent to anyone who cares to check that I was not in favor of the method of funding expected of the Town.

If I had been playing a persistent vicious game it would have been very easy to stop a recommendation going to council of March 25, 1968 by simply voting against the only other member present at the finance committee meeting of March 16, 1968.

Your attention is also brought to the July 22, 1968 council meeting resolutions 5945 and 5946 approving the combined facilities of both Societies unanimously. My attendance is a matter of record.

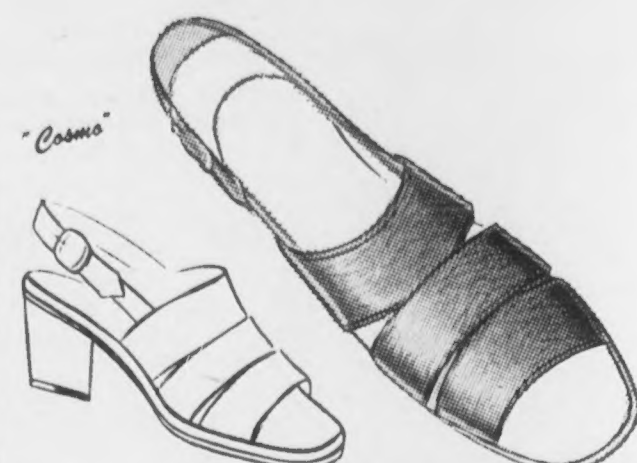

In view of the decision to be made by Council with respect to the teen centre I can appreciate the psychology of Mrs. Bakker's letter. I cannot appreciate the attack made on my person by an individual directly involved in the presentation to council in 1968, who did not bother to check the facts, as available to her as they are to myself.

I would also appreciate knowing what is proposed for the teens, when the only facility they have available as a coffee house type teen centre is removed from the teens' use and turned into a daytime kindergarten and evening Arts and Crafts lessons facility. Admittedly at this time, for lessons for the teens. I have not been led to believe a coffee house operation is compatible with the other two uses.

Mayor,

Lewis named Comet's president

St. Albert Comets senior hockey club announced Monday night that Dave Lewis will be their new president for the 1973-74 season.

Lewis moves up from his manager's job replacing Rene Brodeur who had to step down due to increasing business demands. Brodeur will remain with the club and help out where required.

Gary Checknita will be back for his second season as coach and will take over the manager's position as well.

Comets had an extremely successful season last year under Checknita and from all reports will be right up their this year.

Brian Stevens will take over the secretary-treasurer job while John Arnot will

look after public relations.

The equipment manager and trainer's positions are still open and anyone wishing to apply is asked to call Dave Lewis at 459-3956.

Comets will again play in the Edmonton Central Hockey League with teams from Stony Plain, Sherwood Park, Barrhead, Westlock, Wintertown, Namao and Leduc.

First practice is scheduled for Thursday, October 4 from 10 p.m. to 11:30 p.m. The same time slot applies for October 7 and 13, and October 10 practice goes at 10:30 p.m. to 12 p.m.

All interested players are asked to bring their own equipment and be ready to go 15 minutes before practice time.

Hockey Seminar To Be Heard Oct. 20

A public reaction seminar will be held at the Percy Page Centre Saturday, Oct. 20 at 1:30 p.m. The seminar will deal with the study "The Rights of Individuals in Amateur Sports (Hockey)". The study was commissioned by the Government of Alberta and prepared by L. W. Downey Research Associates Ltd. Hon. Horst A. Schmid, minister of culture, youth and recreation said that previously scheduled seminars, set for September 17 and 18 had to be postponed as a result of requests made by many interested groups after the study was released August 17. The minister explained further that the extension of the public reaction seminars will give more individuals and groups time and opportunity to examine and discuss the report before presenting their submissions at one of the public seminars.

Besides St. Albert, other Alberta points in which public reaction seminars will be held include: Lethbridge, Calgary and Grande Prairie. In view of the near-1000 hockey players of all ages playing active hockey in St.

Albert, it is anticipated that clearly-defined submissions will be heard at the seminar slated here October 20.

Muddy field fails to stop Avengers

TERRY LEDDY

Avengers finally got things going in the third quarter and Kehoe put them ahead to stay 14-8. Rod Wiltshire scored their final major in the fourth quarter.

Avengers next game is scheduled for Sunday at Kinsmen Park.

Avengers next game scheduled for Sunday at Kinsmen Park, has been cancelled due to the Eskimo-Regina game, and has been rescheduled for Saturday at 11 a.m.

The game will be televised by Cable T.V., and Avengers opponents will be Jenner Pontiacs who also have a 4-0 record and are tied with St. Albert for top spot in the Husky Bantam League.

The St. Albert Avengers and the Husky Bantam Football League wish to extend thanks to the people of St. Albert for purchasing some 1,200 boxes of chocolates last week in the annual blitz.

ing penalty.

Leddy had a rough day as two other majors, an 80 yarder and a five yard plunge were also nullified on Avengers penalties. Leddy has had five touchdowns called back in the four games.

Guides entertain

The Lady Lions held their first meeting after the summer recess at the home of Elsie Snider on Monday, Sept. 10th.

Roll call was answered by members replying with the location of their respective holidays. An interesting and enjoyable summer had been the lot of the Lady Lions.

The park committee reported on the assistance given in improving the Lions Park. Citizens would be well advised to stroll through the park and note especially the very attractive decorating on the culverts which has been done by Loretta Cady.

Four young people enjoyed Camp He Ho Ha under the sponsorship of the Lady Lions.

Cathie Engel and Ellen

Telfer entertained the ladies with slides of their trip to Wyoming. Fourteen St. Albert Guides and four leaders had made the Wyoming Trek to the National Centre West of American Girl Scouts. These young people were the first Canadians and the first Guides to visit this famous campsite. The local Lady Lions had assisted the group financially.

The executive meeting will be held at the home of Betty Thordson on Sept. 24. The next meeting will be on October 15 at which the main entertainment will be a demonstration by a Home Economist from Calgary Power on "Holiday Entertaining." The location of this meeting will be announced later.

Youth Bowling Starts Saturday

St. Albert's 1973-74 youth bowling season will swing into action Saturday at the Grandin Bowling Lanes, reports Rick Schuchard, youth bowling co-ordinator for the St. Albert Breakfast Lions Club.

All regular sessions, with the exception of the Saturday (3 p.m.) shift and Thursday afternoon (4 p.m.) are filled. Youth five-pin bowlers who may have missed the first registration may contact Nina Ible at Grandin Lanes, 459-8221.

Five experienced supervisors are all set to lend their talents to insure that young people bowling for the first year get proper instruction. Cory LaPerle will handle the early 9 o'clock session, followed by Kim Popoff at 11 a.m. Susan Schuchard will be in charge of Saturday afternoon 1 o'clock league, ably assisted by Dennis LaFleur and Gary Westcott. Veteran youth bowler Jim Hentig is in command of the 3 p.m. bowling excitement.

5th St. Albert Troop Seeks Parent Support

A meeting of the 5th St. Albert Cub and Scout parents on Monday clearly indicated that due to a lack of cub masters and leaders, the organization may be forced into oblivion.

According to a spokesman from the 5th St. Albert Cub and Scout troop, several problems are contributing to the threat of dissolution of

the movement. The main one is the lack of leaders and this state of affairs is attributed to the overloading of the few remaining cub and scout leaders. Unless there is more parent participation in the cub-scout movement, the spokesman said, no alternative is left but to discontinue operations and dis-

band the organization.

The committee behind the 5th St. Albert Troop complained to The Gazette that in addition to a shortage of cub and scout leaders, there is also an urgent need for assistance at the committee level.

As a last-ditch attempt to keep this very important organization alive, the committee has called another meeting for next Wednesday October 3 at 8 p.m. in the Lutheran Church basement. Present for the special occasion will be the Landing Trail District Training team.

Needless to say that this meeting is of the utmost importance if the 5th St. Albert is going to survive this crisis . . . and the only way to continue in this worthwhile endeavour is for all concerned parents to attend and stand ready to take an active part in the cub-scout movement.

ST. ALBERT RECREATION HIGHLIGHTS

PHYSICAL CULTURE:

Classes in physical culture for girls and ladies will start on Thursday, Oct. 4 in Sir George Simpson school and run for 10 weeks.

Physical culture is a combination of creative dance, free and rhythmic movement in which every muscle is used to attain grace, suppleness and flexibility.

Mrs. Margaret Thompson introduced this very attractive form of exercise to Western Canada about four years ago and since then it has grown enormously in popularity and she herself is in great demand throughout the province as an instructor. St. Albert is very fortunate that she is finding time to come here on Thursday evenings.

There will be a class for 7-10 year olds from 6-7 p.m. (cost \$4.); one for 11-14 age group from 7-8:30 p.m. (\$5.) and one for the 15's and over from 8:30 to 10 p.m. for which the cost

will be \$5 for students and \$8 for adults. Registrations are now being taken at the Recreation Department in Town Hall.

Y NEIGHBORS:

No more registrations can be accepted for this program LADIES NIGHT OUT:

This 10-week program of keep-fit exercises, followed by games of volleyball and or basketball will start on Thursday, Sept. 27 in Father Jan school, Mission Ave. at 8 p.m. It is sponsored by the YVCA and the cost is \$7.00. Registrations will be taken on the first night and the classes will be conducted by Mrs. Bonnie Childs CHILDREN'S GYM:

An eight week session of children's gym classes, instructed by Mrs. Bonnie Childs will start on Saturday, Oct. 13. Classes for 4-5 year olds will be held from 10-10:45 a.m. and for the 6-8 year olds from 11-11:45 a.m.

The classes will be held

in Leo Nickerson School and the cost will be \$4 for each child. Registrations, along with fees will be accepted at the Department of Recreation in the Town Hall till 4 p.m. on Friday, Oct. 12. The number in each class is limited and registrations will be taken on a "first come, first served" basis.

POWER SKATING:

Registration for power skating will be held in the Clubhouse (beside the swimming pool) on Saturday, Sept. 29 between 10 a.m. and 12 noon. The cost is \$7 for 10 half-hour lessons plus a least nine practices of half an hour each. Family membership fee is \$10.00.

SQUARE DANCING:

St. Albert Saints and Sinners, the local square dance group, holds their regular dances on the first and third Saturdays of each month in St. Alexander Mackenzie school. The next one will be on Oct. 6.

The first beginners' class will be held on Friday, Oct. 5 at 8 p.m. in the Clubhouse (beside the swimming pool). This is for real beginners and also for those who feel they need a bit of practice before joining the regular group.

For information about square dancing in St. Albert, phone Mr. and Mrs. Terrault at 459-6896 or Sid Dequire at 459-7466. Newcomers to the town are reminded that square dancing is a great way of getting to know people.

ARTS AND CRAFTS:

All classes scheduled for Saturdays in the session of lessons offered by the St. Albert Arts and Crafts Guild will start on Oct. 13 and not on Oct. 6. It was felt that the long weekend might affect the attendance on that day.

There are openings in a few of the adult classes. Phone Lois Folkins at 459-7344 for information. FIGURE SKATING:

No further information is yet available about the learn to skate classes. The days and times depend on the scheduling of the school use of the arena.

MEN'S SPORTS CLUB:

Phone Ron Prior at 459-6844 for information about this club which will be getting together on Tuesday evenings in St. Albert High School, starting on Oct. 9. MIXED SPORTS:

There are two opportunities for both men and women to get some exercise in the form of volleyball, basketball, etc. Both take place in Father Jan School, one on Monday evenings and one on Wednesdays. Phone Mrs. Penny Kotka at 459-6336 for information about the Wednesday night activity and Bob O'Donnell at 459-3456 about Mondays.

Grandin Park Furniture Locates In St. Albert

A thorough research of St. Albert's business section reveals that over the years, furniture as such has been retailed from a wide range of outlets, however, Grandin Park Furniture Ltd., a specially-designed furniture store ready for its grand opening Thursday, Sept. 27 is the first of its kind for this town. The grand open-

ing celebration of this up-to-date furniture and furnishings outlet will extend until Saturday, Sept. 29. Owners of Grandin Park Furniture Ltd., located in premises formerly occupied by Emery's Pipe Shop and the Alberta Liquor Store are justly proud of their 5,200 sq. ft. furniture retail premises. President of the firm,

which was incorporated in June of this year is George Hiscock who is also general manager of the store. Secretary-treasurer of Grandin Park Furniture is Phil Bateman, whose experience in the furniture business, combined with that of his partner amount to a total of 36 years.

The new St. Albert furniture store will be staffed by both owners who have Harold Sanregret as a full-time salesman plus the assistance of a student on a part time basis.

St. Albert citizens who are well acquainted with Grandin Shoppers Park will remember that Emery's Pipe Shop occupied premises on the upper level of the northern span of the shopper's park. Adjoining these premises was the liquor store located several steps below the main level. With this in mind, shop level. With this in mind, shoppers will note with pleasure the bi-level effect of the new store. This feature gives Grandin Park Furniture a modern and expansive atmosphere . . . an ideal layout for the display of a complete line of furniture . . . sure to satisfy even the most selective shopper.

George Hiscock and Phil Bateman are very proud of their exclusive lines of merchandise which include upholstered furniture, select wood and chrome suites, electrical appliances referred to in the trade as 'white good' plus a wide range of color television sets.

"We have carefully chosen our suppliers," George Hiscock said, "because we were

particularly concerned with warranty policies, therefore we can now say that all our stock carries a factory warranty and that includes everything we sell." Mr. Bateman agreed with his partner's statement and added that Grandin Park Furniture will insist that warranties on all items sold will indeed be honored.

Kroeller Manufacturing Co. Ltd. of Edmonton are the main suppliers of upholstered goods, living room suites occasional chairs, sleep-or-lounges also case goods which include bedroom suites dining suites and occasional tables.

'White goods,' which include refrigerators, stoves, washers, dryers and dishwashers come from two main suppliers, Canadian General Electric and Moffat. Grandin Park Furniture is a franchised dealer for both these firms. Canadian General Electric also supplies Grandin Park Furniture with a complete line of color television sets.

Another line of color television sets comes from Philco Ford of Canada and these include a few 1973 models, either consoles or portables as well as a complete line of stereos, plus 1974 models.

Victoriaville Furniture Ltd. of Quebec is famous for its masterful craftsmanship in bedroom suites, dining room suites and occasional tables. These are also in stock at Grandin Park Furniture and so are the popular quality goods from Sealy (Western) Ltd. who

manufacture a complete line of bedding, Redi-Beds as well as bunks. Acme Chrome Furniture Ltd. supplies Grandin Park Furniture with all kitchen suites which come in a wide array of colors and designs to suit any shopper.

Grandin Park Furniture Ltd. will follow the general business hour trend established within the Shoppers Park, namely from 9:30 a.m. to 9 p.m. daily excepting Saturdays when the hours are from 9:30 a.m. to 6 p.m.

On opening days, starting September 27 until Saturday September 29, radio personality Irv Shore will be hosting the radio show from Grandin Park Furniture's new premises through CHQC

Edmonton. Irv will be broadcasting at the St. Albert location from 4 to 8 p.m. Thursday and Friday while on Saturday, Sept. 29 Irv will be on deck hosting the show and serving coffee from 10 a.m. until later that same afternoon.

During the three-day grand opening celebration of Grandin Park Furniture, door prizes will be given away, along with coffee and doughnuts. Extra special bargains sure to please even the thriftiest of shoppers will also be featured. On hand will also be hostesses from the Grandin Merchants Association who will help the owners, staff and Irv Shore serve goodies.

Braeside park request awaits cost information

The words of senior councillor, John Bakker, came back to haunt him in a presentation made by Braeside residents at the Sept. 4th public hearing during council meeting.

Councillor Bakker wanted to see "Evidence of effective Edmonton resident participation in council matters, to include successful vetoing of a rezoning bylaw by the public," said Mr. Jim Ballentine, "We are pleased to provide St. Albert council with this opportunity."

The presentation by Messrs. Ballentine, Barry Payne, S. G. Romaine and R. G. Meredith was backed by a petition with 300 signatures and protested the proposed rezoning of 17 acres

between the river and Sturgeon road from residential comprehensive to single family residential and park. The proposed zoning would take 10 acres for housing, leaving seven for park, which seven the delegation felt was both inadequate and unsuitable. "This is the last 17 acres we have for park," said Mr. Romaine, "let's not throw it away." The presentation requested that River lots 47 and 48 along with river reserve land from the highway bridge to Sturgeon Kennels be developed as a park.

While expressing "great sympathy for larger park areas," Coun. de Brulj pointed out that the only way the town could zone the pro-

perty for park would be to acquire title, at fair market value, he suggested setting aside further readings of the bylaw until the cost could be ascertained. Then "council could consider - and could ask you people to consider - how this cost can be paid via taxes - which you people must provide."

"If a problem of economics," said Coun. Lukay "it is a good indication that we should not be allowing development in this area at this time. I cannot agree with this growth and development for development's sake."

Councillor Bakker basically agreed with Coun. de Brulj and raised the point that the developer might be able to appeal the 17-acre zoning requested by the petitioners. Coun. Thronson said he could not support zoning of the lower portion for park, agreeing it was unsuitable, and felt "residents of this area have been treated shabbily."

A further public hearing will be held when the cost is known.

AROUND TOWN

Mr. Neil Ross turned in a drop-earring in rhinestone and black with silver colored clip, which he found on Perron street near the bridge. It may be claimed at the Gazette office.

Adventures in Music

A special "Adventures in Music" concert for rural school children, sponsored by the Women's Committee of the Edmonton Symphony Society, will be held Saturday, October 6 at 1:30 p.m. at the Jubilee Auditorium in Edmonton. The program includes small group instru-

mental demonstration preceding a short concert. The Edmonton Symphony Orchestra will be directed by Floire Hétu the new conductor. The concert is directed towards children of Grades 4 to 6. Reservations must be made by Sept. 21 through the local school. Admission is 50¢ per child.

This is another snapper's gallery within Heritage House. In this section of the ultra-modern store, Don and Margaret Sinclair offer comfortable facilities for Resilient Floor Covering shoppers. In the foreground is a coffee table surrounded by matching chesterfield and chair. These are provided while salesmen demonstrate floor covering flip-displays of the wide range of stock that is available. In the background is the wallpaper department.

The St. Albert Chapter of Welcome Wagon Newcomer's Club executive for 1973-74 held its regular meeting at the Jackie Keith residence last Tuesday. Seated is president Donna McMartin. Standing left to right are: Margaret Morgan, hospitality; Geri Mathewson, publicity; Elaine Dure, reservations; Ena Bruinsma, vice-president; Carole Davis, treasurer; Eva Kerslake, membership; and Jackie Keith, secretary. Installation ceremonies were held September 10 at a function held in the Community Hall by Jane Nelson, Welcome Wagon assistant hostess.

Protestant S.D. Briefs

Board chairman Charlie Schroder asked school superintendent Elmer Gish for a report on the progress being made by the initiators of the Further Education Council. Mr. Gish reported that work on the formation of the council was progressing and another meeting has been scheduled for Sept. 13. He said an executive is being formed of members from town council, the two school boards, local as well as rural clubs. Further Education Council plans to initiate credit classes in local schools in an effort to pro-

vide citizens with an opportunity to further their education. Mr. Gish concluded by announcing that evening typing classes will be starting at Paul Kane Sept. 17.

There was some discussion on the Paul Kane parking lot in relation to its deficiencies, and these included size, egress, plug-ins etc. A recommendation to widen the 34-car parking lot by 11 feet was considered along with other alternatives. The Board agreed to turn the problem over to the Buildings and Properties Committee

and authorized that committee, made up of trustees Cuts and Munro to arrive at a decision.

The Board approved a recommendation for the construction of a chain-link fence at Sir George Simpson School at a bid price of \$1,210. The Board agreed that the fence will ensure the safety of the students by preventing them from meandering across dangerous routes and run the risk of injury from unwary motorists.

The newly-revised Joint Use Agreement, which was previously circulated, was tabled by the Protestant School Board pending a future meeting of the Joint-Use Committee.

A resolution to be submitted to the Alberta School Trustees' Association convention was approved by the Board in a unanimous vote. The emergency resolution

in part spells out terms of land dedication for parks and school sites. The No. 5 Board's resolution advances the concept that dedicated lands be increased from 10 to 15 per cent and that five per cent of said dedications be specifically set aside for school sites.

Following a presentation of need by W. B. Tedesco, YMCA camping and extension services supervisor, the No. 6 Board approved

unanimously the YMCA priority and advised Mr. Tedesco that the said priority will be co-ordinated through the Joint-Use Agreement. The YMCA representative's request was for scheduled use of the Paul Kane School facilities for keep-fit classes, guitar courses also for gym and adventure learning classes.

The Protestant Separate School Board instructed secretary-treasurer, George

Hargreaves to obtain the cost per school for cable television hookup. This directive came in the wake of information received from Capital Cable TV Ltd., outlining wiring hookup data. Mr. Hargreaves is expected to bring back a report before the next regular meeting.

Mayor Ray Gibson has just signed a proclamation designating October 1 to 7 as Safety Week in St. Albert. In his statement, Mayor Gibson urged that all St. Albert residents observe all rules of safety during this particular week as well as in the continuing months. Mrs. Barbara Wheatley, chairman of the Safety Week Exhibition announced St. Albert Safety Daze October 5-6 to be held in Grandin Shoppers Mall and sponsored by the local Safety Council.

Safety Council Declares Oct. 1 - 7 "Safety Daze"

The St. Albert Safety Council is sponsoring a Safety Exhibition in the Grandin Shoppers' Mall, St. Albert, on Friday, Oct. 5 from 12 p.m. - 9 p.m., and Saturday, Oct. 6 from 9 a.m. - 6 p.m.

The purpose of "Safety Daze" is to focus public attention on the resources which will improve safety in our Town.

The Exhibition is being held in conjunction with "No Accident Week," which will be proclaimed by Mayor Ray Gibson for the week of October 1st. Twenty-five organizations and firms will be contributing displays which will be of interest to all age groups. The local elementary children will be taking part in a "Safety Poster" contest. Prizes will be awarded during Safety Daze. The Exhibition will be the first of its kind held in rural Alberta for approximately 10 years.

The St. Albert Safety Council is unique in that it is the only Safety Council in existence in rural Alberta. It was established one year ago. In that time, it has compiled fairly comprehensive statistics on injuries in the community... the only Safety Council in Alberta which has been able to do this. The Council has worked closely with the Snowmobile Association and the Town toward improving safety in this area. It has also sponsored First Aid courses and a Mental Health Seminar and has involved itself generally in a Public Education Program.

Roger Bourbonnais, barrister-solicitor announced this week that he and two colleagues have opened law offices at 507 Grandin Ridge, Edmonton. The firm is called Bourbonnais-Cleall and Ahl. Mr. Bourbonnais said he will continue making his weekly visit to his office at 22 Perron Street, St. Albert, every Monday afternoon as usual. Mr. Bourbonnais lives at 11 Glacier Place here in St. Albert.

Library offers great programming for local kids

The St. Albert Public Library invites all local youngsters to join the fun at the St. Albert Public Library every day after school during the fall.

Starting Monday, Oct. 1st every day from 4 to 5 p.m. the library will be providing special programs for local youngsters.

Mondays at 4 p.m. there will be a Story time for boys and girls in grades one to four. Favorite stories will be read aloud and there will be occasional films and visits from some well known puppet people. All youngsters who love a good story will love Monday Storytime!

Tuesdays at 4 is Hobby-time for older children in grades 4 and up. If you collect stamps, enjoy chess, build models, collect rocks,

make things or would like to, then come to the library Tuesdays after school and bring your hobby with you!

Wednesdays after school is for the younger ones - grades one to four again - who like to dabble. It's Make and Do Time using the library's books for weekly ideas. Sometimes it will be hearing stories and drawing pictures. Or seeing a film and drawing a picture. Or writing your own story!

Thursdays at 4 it's time for a "good old story" - Myths and Legends. These all time favorites are sure to entertain and educate children of all ages!

Friday's Its Films! Every Friday at 4 there will be films for all children. A week's listing will be posted in the library so watch

for your favorite fairy tales and stories on film.

All four o'clock programs are free and open to all local youngsters.

And Remember... if you don't have a library card yet, they are now free to all town residents.

Around Town

The St. Albert Public Library received a generous donation of \$42.22 for the purchase of new books from the local 2nd St. Albert Browne Park. The surprise gift was gratefully accepted by the Board of the library and will be put to good use in the coming months as many new fall titles are published.

Simkin Bros. Star In Asphalt Plant Opening

Saul Simkin, BACM official shakes hands with Reeve Walter Van de Walle immediately following the official opening of Standard General's asphalt plant at Horse Hill. Mr. Simkin dumped a load of aggregate into the asphalt plant once Mr. Van de Walle had cut the ribbon and declared the plant open for business. This was the first part of a three part official opening ceremony, in which all three Simkin brothers participated.

Three brothers, Saul, A. L. and Blackie Simkin, all top officials of B/CM Industries Limited had a 'whole of a time' last Thursday when they participated in the official opening of the Asphalt Plant at Horse Hill.

Named the Standard General Construction Asphalt Plant, Horse Hill, the \$750,000 complex, located about 20 miles east of St. Albert is a highly automated facility designed to mix gravel into the finished asphalt product used for paving. This plant with a capacity of 300 tons of mix per hour is operated with a staff of only four men.

In view of the small staff required to operate this highly sophisticated complex, the three Simkin brothers were able to each take one of the key positions and actually process a load of mix through its paces. . . In a symbolic gesture which marked the official opening of the asphalt mix plant, To start the official open-

ing on its way, Saul Simkin, chairman of the board and chief executive officer of BACM Industries smartly climbed aboard a plant front end loader, scooped up a load of aggregate and drove the multi-ton machine up an incline toward the loading pit. Mr. Simkin held this position while Reeve of the Municipality of Sturgeon, Walter Van de Walle cut the ribbon and declared the asphalt plant officially open.

That was the signal for Saul Simkin to put his machine into gear and dump the load of aggregate on its initial voyage through the plant.

Next step in the official opening was A. L. Simkin's role he had to play. Stationed high above the entire complex in a glassed-in tower, Mr. Simkin sat at an elaborate control panel, very much like the captain's bridge in Star Trek. He punched several buttons on the control panel and started the load of aggregate on its mysterious journey through the plant. The president and vice-chairman of BACM Industries, having made the correct selection from the control panel observed the aggregate move along through various stages and ultimately became a batch of finished asphalt, ready for delivery as asphalt mix. Meanwhile the third brother, Blackie Simkin, who is vice-president of BACM Industries and president of Standard General Construction Limited sat calmly in a dump truck waiting for the load of asphalt.

Once the aggregate had completed its journey through the complex, Blackie's truck was loaded with several yards of asphalt mix which he adroitly drove away and spread on a portion of road within the asphalt plant site. Thus ended the official opening of the plant.

Meet Dale Hrechuk ... he's proud.

Dale's an Albertan. That means that he's a part of a colourful tapestry of history one hundred years old. There are all sorts of colours in that tapestry, but next year two are going to stand out scarlet and gold. These are the colours traditionally associated with the Royal Canadian Mounted Police and

just as Dale is doing now, they grew as a force here in Alberta. Next year, we're going to celebrate the anniversary of their arrival here and our start as a province. So make it your anniversary, too. Make it your reason to say "I'm proud" As proud as Dale Hrechuk and everyone else who boasts of being an Albertan

Library adds 25,000th book

The St. Albert Public Library will add its 25,000th book this month. This achievement said librarian, Don Mills is a credit to the many dedicated townspeople who have believed over the years in the need for a public library at the base of this community and who have worked to provide this growing healthy service.

The library's collection breaks down as follows: - Adult fiction, 24%; Adult Non fiction 40%; Juvenile collection 36%. In addition the library subscribes to over 100 magazines and has added over 700 popular paperback titles this year. As well the library regularly receives government publications of general interest and other pamphlets and booklets useful to the general public.

Many back issues of magazines and their indexes are available in the library as well as encyclopedias, dictionaries, atlases and maps.

Pat Hamilton wins competition

By Florence Lefebvre

The Creative Writing Class, which began in June, met for the last time as student-writers on Thursday evening, Sept. 13. The Sturgeon Writers Guild has been formed. The group is now independent of the co-sponsorship of The Cultural Co-operative Committee and the St. Albert Library. They will meet bi-weekly to share ideas and encouragement. The class instructor, Mrs. Margaret Coleman Johnson, turned the leadership over to a newly-chosen executive: President - Don Mills, chairman, Michael Lator, secretary, Florence Lefebvre, treasurer - Imelda Jesurasingham, publicity director Pat Hamilton.

Mrs. Johnson, well known author and editor, was presented with an engraved sil-

ver goblet in recognition of the limitless time and dedication she offered to everyone. It thanked her in a small way for the enriching experience she had shared with each writer.

The climax of the evening was the presentation of writing awards by Mrs. Johnson. Joy Berle received an autographed copy of the Alberta Golden Jubilee Anthology, for being the first to sell a manuscript. It was noted that several of the class members have now had sales. Mrs. Johnson then announced the winners for the Excellence in Creative Writing, Competition, beginning with the first entry she read each appraisal given to her by the judge, Dr. W. G. Hardy, bringing out the best points in each and adding other information to guide the writers.

It may not have been the Hollywood Premiere but excitement mounted as she handed back all the entries. Sylvia Glass, Dianne Proctor and Florence Lefebvre were given honorable mention. Imelda Jesurasingham placed second. One manuscript had not been handed back, and it, of course, was the winner. Mrs. Johnson read the name: Pat Hamilton for her story To Ling Knows. She was presented with a trophy and the applause of her fellow members. All had been aware of the excellence of Pat's writing and listening to To Ling Knows was a delightful experience.

Pat Hamilton is well known in St. Albert. Her reports regarding the Writer's Workshops appeared weekly in the Gazette. Many will remember the 1967 Centennial Pageant which Pat and her husband, Keith, wrote and which proved such a resounding success. Pat enjoys writing and is very humble about her achievements. Through the years her writing has frequently been in print and Pat laughingly says, "Someday I'll finish my book." The Hamiltons and their three children live at 46 Belmont Drive

Pudlowski-Mitchell Wedding

St. Albert Roman Catholic Church was the scene of a beautiful summer wedding July 14, when Debby Pudlowski, daughter of Mr. and Mrs. H. Pudlowski, became the bride of Ernie Mitchell, son of Mr. and Mrs. J. Mitchell, all of St. Albert. Father Jake Joly and Bud Gau conducted the double ring ceremony and music was by Marie-France Gauthier, soloist, accompanied by Michele.

The bride was attended by her sister, Mrs. Rene Lamoureux, as matron of honor, Anna Vaugols, Marie Krupa and Jean Mitchell. Lorraine Pudlowski was flower girl.

Attending the groom were Rene Lamoureux, Howard Mitchell, Christie Miller and Ken Ford. Warren Mitchell was ring bearer.

Entering the church with her father and mother, the bride was radiant in a long white gown of white crepe over polyester, with ruffles and lace accenting the princess styling. A long train fell from the back and she wore a short veil, held by a crown of lace and beaded flowers. She carried a bouquet of pink roses with daisies and lily of the valley. The attendants wore identically-styled gowns of

shades of polyester. Wide brimmed mohair hats with matching sheer bands and daisy bouquets completed their ensembles. The flower girl wore a pink voile dress with embroidered flowers and matching pink hat. She carried white daisies and pink buds.

For her daughter's wedding Mrs. Pudlowski chose a floor length gown of mauve crepe, with a floral sheer front and velvet trim. The groom's mother wore a long

blue gown of polyester crepe with matching cape. A reception followed at Club Mocambo, when Mr. Stan Powers was master of ceremonies and a toast to the bride was proposed by Mr. J. Krupa. The Twilights played for the wedding dance. Out of town guests were from Salt Lake City, Vancouver, Red Deer, Grande Prairie, Fawcett, Westlock and points in Manitoba. The couple are making their home in Edmonton.

Mr. Louis Piercy of Ponteix had a wish come true when five generations of his family were together in Ponteix, Saskatchewan. Standing at left is his daughter Louise Bourbon (Piercy) of Ponteix with his granddaughter Irene Carignan, and great grand-daughter Irene Carignan, holding his great great grandson, two year old Craig Louis Gagnon, all of St. Albert.

Five generations enjoy reunion

Mr. and Mrs. Armand Carignan and family of 55 Mission Avenue, St. Albert, were in Ponteix, Saskatchewan recently, to bring together five generations of the Piercy family for a celebration.

Mr. Louis Piercy, who is 55 years young, lives in the Ponteix Nursing Home and is blessed with good health. He has good recollection and an alert mind, and enjoys a good game of cards. His family numbers five children, 20 grandchildren,

47 great grandchildren and two great great grandchildren.

In addition to the five generation group shown in photo, five generations are completed with his great great granddaughter Lisa Randall of Whitecourt, Alberta, now one year old. She is the daughter of Mrs. Claudette Randall (Carignan).

The Sisters at the Ponteix Home are looking forward to making a centenarian of Mr. Piercy.

Catholic School Board Changes Meeting Dates

The St. Albert Catholic School District No. 3 unanimously approved changing its meeting day from Wednesdays to Mondays. On a motion by Trustee Steve Sleben, meetings will now be held the first and third Monday of each month starting October 1.

The change of meeting day was discussed at all trustees length and all trustees agreed that Wednesday meetings were the most difficult to fit into their weekly schedule. All days of the working week were considered and the trustees inevit-

ably came back to Mondays as being the most practical evening in which to hold the school meeting.

Supporters of the Catholic School District No. 3 are therefore urged to note the meeting day changes and also remember that the October meetings will be held October 1 and October 15, being the first and third Mondays of the month. The same will hold true for all subsequent months until a change, if any, is announced.

St. Albert Saints and Sinners join the dancers at a square dance festival in Ross Shepherd School.

Dancing on the Mall in Square Dance Week

Acting Mayor Rod Thronson proclaimed the week of September 24-29, 1973 to be Square Dance Week in St. Albert, at a special meeting on September 24 at the Clubhouse. This is in line with a countrywide proclamation

of square dancing.

An open invitation is extended to all to come to the Grandin Shopper's Park Mall on Thursday, Friday or Saturday, 27, 28 or 29 to watch a display of square dancing. Times will be 7:30 p.m. to 8:15 p.m. on Thursday and

Friday and on Saturday at 2 p.m.

In a society of "watchers" (TV and spectator sports) square dancing may be considered a sort of rebellion against this. In square dancing, few people remain just spectators for very long. The spirit of fun that is obvious to all is very contagious.

Square dancing has been a part of the St. Albert scene continuously for over 20 years. The club, now known as the Saints and Sinners, started out as the St. Albert Shooting Stars. About 10 years ago the same Saints and Sinners evolved after the name Saints and Sinner was rejected by caller, Syd Deguire. Syd apparently felt that the single sinner might be identified as himself!

The pastime of square dancing requires no outlay of capital for equipment or any other large expense. Frequently, however, as one gets into it a colorful costume is made or purchased as desired. This is of course a matter of personal preference.

Since lessons are available to the new dancers no one need to feel overwhelmed, out of place or inept. Everyone starts out the same and everyone can enjoy it.

If you, or you and your spouse or partner are interested come to Grandin Shoppers Park Mall Thursday or Friday evening or Saturday afternoon and watch the fun.

Finlay-Houle Wedding

Elaine (Poune) Houle exchanged marriage vows with Michael Finlay on August 31 at St. Albert Roman Catholic Church.

Elaine is the daughter of Mr. and Mrs. Alain Houle of St. Albert, and Michael is the son of Bernard Finlay and the late Margaret Finlay of Edmonton.

Coming down the aisle on the arm of her mother and father, the bride was radiantly lovely in her gown of white peau d'elegance featuring an empire waist, high neck and short sleeves. The gown extended into a cathedral train and a spray of lily of the valley held her chapel veil, which was edged in dainty daisy lace. She carried a beautiful bouquet of white orchids and stephanotis.

Father Ron Poirier performed the blessing. The wedding music was by the Satellites with Brian Klak as soloist. The five numbers selected were Wedding Song, For All We Know, United We Stand, The Wedding and Mission Bells, all beautifully rendered in a style most appropriate for the service.

The bride's attendants were Denise Sabourin, maid of honor and bridesmaids were Geraldine Clark and Connie Schoen. The maid of honor was in a yellow floral gown, while the bridesmaids wore identical yellow gowns. They wore

MR. & MRS. MICHAEL FINLAY

white gardenias in their hair and carried baskets of white and yellow daisies.

Attending the groom were Brian Leslie as best man and Gary Jacobs and Garth Graham as groomsmen.

To receive her guests, Mrs. Houle wore a floor length gown of light blue chiffon with corsage of darker blue carnations.

Following the wedding a

reception and dance was held at the Community Hall, with Raymond Houle (brother of the bride) as master of ceremonies.

Out of town guests were from Calgary, Prince Albert, Spiritwood, Saskatchewan, Vernon, Kelowna and Vancouver B.C.

The happy couple are making their home in Edmonton.

St. Albert businessman marries Morinville girl

The Reverend Father Viel conducted the triple ring wedding service uniting Leo Franche of St. Albert and Doreen McLeod of Morinville before an altar flanked with baskets of yellow daisies in St. Jean Baptiste Church, Morinville on September 1st. Leo is the son of Mr. and Mrs. Art Franche. St. Albert and Doreen is the daughter of Mr. and Mrs. Angus McLeod of Morinville.

vision of loveliness in her long gown of white silk velvet with cathedral train. Fashioned with a cowl neckline and long net sleeves with deep velvet cuffs, the demure styling was complemented by a frothy chapel veil of matching net, falling from a rhinestone tiara. She carried a bouquet of yellow sweetheart roses.

The bride was attended by Simone Halwa, matron of honor, bridesmaids Shirley Volmer and Colleen Goertz and Joylynn Gibeault as flower girl. They wore long gowns of daisy yellow which

featured inset flowered borders of deep yellow tones. They carried pedestals of white daisies matching those worn in their hair.

Attending the groom were best man Ronnie Franche, Kap Halwa and Lou Franche. All the men in the wedding party were in brown tuxedos with boutonnières of yellow daisies.

Following the ceremony a reception, wedding supper and dance were held in the Morinville Recreation Centre for about 600 guests. Welcoming the guests the bride's mother was charming in a slipper-length green floral gown with gold accessories and a corsage of white daisies. Mr. Len Gibeault, master of ceremonies, called upon Norman Goertz to propose the toast to the bride, and Mr. Kasper Halwa for a toast to the bridesmaids.

The cake which centered the head table was more artistically decorated by an aunt of the bride, Rita Gibeault, depicting the bridal party leaving the church, with miniature figures dressed identically.

Special guests were Mrs. Rose Williams, grandmother of the bride from Chateau Sturgeon in Legal, and Mr. and Mrs. Uldrich Franche of St. Albert, grandparents of the groom. Out of town guests were Mr. and Mrs. Ronald Gibeault and Mr. and Mrs. Mel Verbeek of Yellowknife, N.W.T., Mr. and Mrs. Marcel Franche and Mrs. Helen Franche of Hinton, Alta., Mr. and Mrs. Randy Campbell of Red Deer and Mr. and Mrs. Randel Blas of Elbow Lake, Minnesota, U.S.A. and Robin Kennedy from Northern Ireland.

The happy couple have taken up residence at 302 - 47 Sturgeon Road. Mr. Franche recently purchased the St. Albert business of Reggie Hartman.

Heritage House owners, Don and Margaret Sinclair are seen trying out their carpet shopping salon. The area provides comfortable chairs and a glass-top table for the convenience of shoppers. In the background can be seen a wide selection of brand-named carpeting. Heritage House is located at 123 Sturgeon Shoppers' Plaza.

Top Squadron award involves many people

It is expected that last year's activities will at least be equalled.

To realize the scope of the squadrons activities is to know that by the third week of the new training year, 80 cadets were taken for a weekend, Sept. 21 to 23, 1973, to the Air Cadet Camp southwest of Athabasca on Narrow Lake, known as Camp Wright, at no cost to the cadets.

To win the top honour, cadets must display qualities such as - self discipline initiative, imagination and leadership, as the squadron is only as good as the cadets want it to be; and as the senior cadets control activities with limited supervision of the officers. To anyone in the community who wishes to see the responsibility of today's youth demonstrated, please feel free to attend any Thursday nights parade at the St. Albert Community Hall, 7 to 9:30 p.m.

The organizational support for any air cadet squadron consists of a partnership -

co-operative effort between civilian organizations and the Dept. of National Defense, in St. Albert the Lions (Sponsor) Club is the civilian sponsor of the squadron who supplies financial assistance, quarters, civilian transport when required and generally assists the commanding officer in any way possible to ensure success at the unit level, for the other partner, they primarily supply commissioned officers of the Canadian Forces Reserve to administer the operation and to supply uniforms and equipment for the cadets.

There are many people who played a vital role in the past year's success and who usually go unnoticed, they must at this time be thanked publicly for the many hours dedicated to this worthwhile cause, their obvious abilities and high moral standards are a credit to themselves and their community. First there is the Lions sponsoring committee, chaired by Nick Bondarevich, and prime assistant, Roger Brunelle, and a special thanks to Nick's wife Mary who spent many hours on the phone on behalf of the cadet-parent banquet, peanut drives and ticket sales arranging for cars and drivers.

Next in line for a very special vote of thanks are the volunteer instructors who conduct the many squadron courses, N. Lynch (who has given so much), Dr. Archie Macpherson, E. Witterveen, G. Morris, Wade Davis, N. Tate and B. Pritchard.

Lastly, for their dedication and devotion to a principle, the mountains of paper work which they handle so efficiently and the very many hours per week (15 to 25 hrs.) above that which is called for but for the youth they for but for the youth of the squadron they gladly give of their free time, these are the officers, Lieutenant Morby, Captain D. Lynch, C. I. Mrs. J. Maybee, Lieutenant F. Maybee, Officer Cadet A. Bondick, Second Lieutenant W. Hart, C.I. Mr. W. Bissonnette and Lieutenant C. Carignan.

Catholic S.D. Briefs

Catholic School District No. 3 superintendent of schools, Vince Maloney reported last Wednesday at the regular meeting that all schools in the system were functioning well, there are no staff problems and the new classroom opened in Vital Grandin School was proving to be very satisfactory. At present, Mr. Maloney reported, the teacher/pupil ratio stood at about 1/19.96 which he said was very satisfactory.

Business administrator Ted Baldwin reported that work was continuing toward obtaining a building permit for a new school. However, Mr. Baldwin said a committee unique from the minister of education's office has revealed that an important announcement will be made October 5 and will deal in part with certificates of need, he therefore suggested that the Catholic School Board await for the minister's announcement before pursuing the matter of obtaining a meeting date with the School Buildings Board.

Chairman Ernie Howrlish opened discussion on a change of name for the Public School System. Mr. Howrlish pointed out that so many new residents were confused with St. Albert's two school systems that it would only be sensible to clearly call the Public System St. Albert Catholic School District No. 3. All trustees agreed with the chairman's suggestion and passed a motion accordingly. Therefore, from now until further notice, the Public School District will be called "Catholic School District No. 3."

At last Wednesday's meeting, the Catholic School Board ratified a recommendation made at a special meeting held September 12 regarding the purchase and operation of a school bus. The Board approved the purchase of a 1984 school bus, whose capacity is 31 passengers and priced at \$1,500. This price includes insurance and road worthiness inspection and repairs. Included in the same motion is the approval of a mileage rate and insurance differential schedule for staff who use their private vehicles to transport students. The motion, as approved, also stipulates that this schedule be considered as a pilot project for a period of one year, then subject to reassessment. The Board also assumes the responsibility for major repairs in excess of normal maintenance costs.

Town of St. Albert

Notice of Public Hearing

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act 1970 R.S.A. as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the S.E. 3-54-25-W4 as shown on the attached map from Agricultural (A) to Residential Single Family (R1c).

The proposed Bylaw No. 41/73 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, TOWN HALL, St. Albert.

The public hearing will be held in the Clubhouse on the 15th day of October, 1973 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 9th day of October, 1973. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

W. J. G. G. G. SECRETARY-TREASURER.

Pioneer couple passes just one week apart

Mr. and Mrs. Felix Comeau passed away one week apart. Mrs. Mary Comeau died on August 26, 1973 after a short illness, she was 82 years old. Mr. Comeau died September 2, 1973, after a long illness, in his 85 year.

Both were oldtimers of the area arriving before the turn of the century as young children with their parents. They farmed for 40 years at Villeneuve and spent a further 10 years on a farm at St. Albert before retiring to their home at 10260 - 113 Street in Edmonton.

Prayers were held at Connelly-McKinley Funeral Chapel and funeral services were at St. Joachim church.

The Reverend Father C. Tourigny of Bonnyville and Father Lassonde, celebrated the funeral masses for Mrs. Mary Comeau on August 30, and for Mr. Felix Comeau on September 6. Music was by organist Mrs. Annette Brissette and soloist Mrs. Elise Dery, who by special request of their daughters, sang Nearer My God to Thee, Panis Angelicus in English, and Je Crois en toi mon Dieu in French. Both were interred in the Edmonton Mausoleum.

Pallbearers were Mr. John Bertrand, Mr. Albert Soetaert, Mr. Henry Berube, Mr. Henry Constantin, Mr. Aurele Durocher, Mr. Henry Latson and Mr. Omer Comeau.

Mr. and Mrs. Comeau are survived by two daughters, Mrs. Anna Ross and Miss Ida Comeau at home. Their only son, Emile, died April 16, 1972. Mr. Comeau is survived by one brother, Mr. Elvedore Comeau of Kelowna, B.C., and one sister Mrs. Lea (Dan) Valcourt of Victoria, B.C. Mrs. Comeau is survived by one brother and six sisters; Mr. Ulderic L'Abbee, Vancouver, B.C., Mrs.

Well known pioneers of Villeneuve and St. Albert, Felix and Mary Comeau, died one week apart, Mary on Sunday August 26, and Felix on Sunday, September 2. Photo was taken on the occasion of their 61st wedding anniversary last year.

Fabiola Comeau, Victoria, B.C., Mrs. Alice Breault, Youville Home, St. Albert; Mrs. Madonna Nelson, Inglewood, California; Mrs. Emmeric Rivest, Mrs. Lillian Gibeault, and Mrs. Georgie Gibeault all of Edmonton.

Mr. Comeau came to Alberta with his parents, Mr. and Mrs. Ludger Comeau, in 1894 from Clyde County Kansas U.S.A., at the age of eight years. Two years earlier, Mrs. Comeau nee Mary L'Abbee had arrived with her parents, Mr. and Mrs. Ulderic L'Abbee from Yamaska Quebec at the age of one year.

They were married in St.

Jean Baptiste Church in Mor-1911 and went on to a home-stead in the Villeneuve district. Starting from scratch they worked hard to develop their home and mixed farming operation. Mr. and Mrs. Comeau were married 62 years, July 31, 1973.

An old pioneer friend and neighbor, Mr. Rosaire Herbert from Youville Home, St. Albert came in a wheel chair to both prayer services at Connelly-McKinley Funeral Chapel.

Noted Bible teacher to be guest

The Rev. Dr. George Hadjilantonlou is to be the guest preacher on Sunday morning, Sept. 30 at Braeside Presbyterian Church. Dr. Hadjilantonlou brings to the pulpit a background of wide and varied experience as well as a rich heritage of Biblical scholarship.

Born in Asia Minor, Dr. Hadjilantonlou's first career was in law. He graduated from the University of Athens with the LL.B Degree and had an active law practice in the Greek capital for 10 years. During this

time he received a Call from God to begin training for the Christian ministry.

Theological studies took him first to Cambridge and then to Edinburgh where he completed his doctoral work in history. He was ordained to the ministry in the Presbyterian Church in England where he served for some time as a minister before returning to Greece. During his years of ministry to the Greek Presbyterian Church in Athens, he served a term as the Moderator of the General Assembly of the Presbyterian Church in Greece. While a minister in Greece he also edited a widely distributed monthly Christian magazine for children.

In 1961 Dr. Hadjilantonlou came to Canada and was called to be minister of Chalmers Presbyterian Church in Calgary where he served until his retirement in 1972. While in Calgary he also lectured in history at the University of Calgary.

Now living in Edmonton with his wife Helen and son

Aristotle, Dr. Hadjilantonlou is enjoying his "retirement" by being as busy as ever. On Sundays, he is often called upon to preach in churches in the Edmonton area and during the week he lectures in Church History and Patristics at Newman Theological College in St. Albert. He also tutors students in New Testament Greek.

Dr. Hadjilantonlou has written several books. Among them are The Twelve, The Eight Keys to Happiness, Measuring the Measureless Beyond the Grave, The Gospel Wide Open, Protestant Patriarch, and Introduction to the New Testament. He is also the author of the commentary on the Old Testament "Book of Hosea" in the internationally recognized New Bible Commentary. Sunday morning is a unique opportunity for residents of St. Albert to hear and meet this outstanding Bible scholar and Christian Churchman. The Service of Worship at Braeside Presbyterian begins at 11 a.m. and a warm welcome is extended to all.

Pat And Del Open The Natural Look

DEL BISSIIONNETTE AND PAT HALL

The Natural Look . . . a new beauty salon in St. Albert, opened for business last Tuesday morning at 20 Perron Street.

The two owners, Del Bissionnette and Pat Hall offer many years of experience in the trade. Pat worked the last four years at Raymonds in Northgate and Del worked the last three years at Cairo's.

The partners occupy about 400 square feet of floor space at their present quarters and anticipate an additional 200

square feet in January once partitions within the building have been relocated.

Del Bissionnette lives in Edmonton with her husband Theophile, better known as 'Junior', who is a plumber by profession and her two daughters Jacqueline, 9 and Michele 7.

Pat Hall and her family live in the Forest Lawn area. Her husband 'Val' works for the Edmonton Public School District and they have two children, Troy 10 and Kerry 5.

Funeral services held for Joseph Ethier

JOSEPH HENRY ETHIER

Father Edward Rheame, a friend of the family, conducted the funeral mass for Joseph Henry Ethier on Thursday, September 20 in St. Joachim Church, assisted by Father Lassonde. The beautiful music was by the St. Joachim Choir and Organist.

Mr. Ethier died on September 17th at the age of 77 years.

Pallbearers were Albert and Arsene Riopel, brothers in law of Mr. Ethier, Tom Riopel, a nephew, Ray Ethier, George Dupuis and George Ethier. Interment was in Holy Cross cemetery.

Mr. Ethier is survived by his loving wife, Mathilda, four sons, Leo Paul and Roger of Edmonton, Bernard of St. Albert and Ralph of Calgary. (He was predeceased by his son Camille in 1972). Three daughters, Mrs. Jeanne (Leonard) Hesse of St. Albert, Mrs. Bernadette (Jim) Rea of Edmonton and Mrs. Simon (Dr. Gordon) Baux of Calgary; 23 grandchildren and 12 great grandchildren one brother, Arcand Ethier, now of Morinville, and one sister, Mrs. Florentine Gauthier of Donnelly, Alberta.

Born and raised in Morinville, Joseph was the son

of Mr. and Mrs. Arcand Ethier, pioneers in the district. He married Mathilda Riopel in September, 1916 and the couple made their first home in Morinville, where Mr. Ethier operated a blacksmith business and also served for some time as a grain buyer.

Later they moved to Coal Valley for a few years and then to Edmonton, where Mr. Ethier continued in the blacksmith trade until his retirement in 1958. They retired to Alberta Beach, building a home there, where they remained until entering McQueen Lodge in the city. A year ago they moved to Kiwanis Place, their home at the time of Mr. Ethier's death, following a car accident in Edmonton.

Following the service about 130 friends and relatives gathered at the home of Mrs. Hesse in St. Albert for luncheon.

The Albert Lacombe Singers, under the direction of Mrs. Bertha Kennedy, were delighted to meet their Lieutenant-governor following their very fine performance of a group of appropriate numbers during the refreshment and social hour which followed official opening ceremonies for the Percy Page Centre. Dr. MacEwan never misses an opportunity to talk with young people as he carries out his busy schedule. Mrs. MacEwan also attended the opening.

Card of Thanks

We wish to express our sincere thanks to dear friends and neighbors for their many expressions of sympathy during our bereavement in the loss of our husband and father. Your messages, flowers, masses, donations to the Cancer fund, and many acts of kindness are deeply appreciated. Special thanks go out also to Drs. Hyde and Campbell and staff at the Royal Alexandra Hospital, to the pallbearers, to Fathers Rheame and Lassonde and to Frankie Iske and Doris McLaughlin for all their assistance.

Rapeseed Marketing Objectives Not Clearly Defined For Voters

re-issued from W. O. Klatt's office

Rapeseed marketing board objectives are not clearly enough defined to allow producers to vote intelligently on whether or not a board is wanted.

According to David Walker, marketing economist with Alberta Agriculture, producers have three general objectives in mind which should be examined closely before any decision is made about proceeding with a vote.

Mr. Walker says producers suggesting that rapeseed should be Board marketed generally have one or more of the following three objectives in mind.

1. Pooling to eliminate the daily price fluctuations and or the Vancouver/Thunderbay price differentials at country elevators.

2. Complete control of handling and transportation to eliminate supposedly suspect activity at terminal positions.

3. Control of pricing and merchandising in the belief that the Canadian Wheat Board can out-perform the private trade in this respect.

However, states Mr. Walker, the methods by which it is suggested the Board will achieve these objectives, are effective in theory only. "It is very apparent from the modest role that the Wheat Board has played in

the marketing of rapeseed to date that theoretical solutions to relatively minor practical problems can beget monsters in the form of price distortions and opportunities for extortion."

"The same is true, of course, for wheat and barley," he states, "although the nature of the Wheat Board's operations hide them from the producers."

In theory, says Mr. Walker, there should be no problem achieving the objective of pooled payments, with a single agency selling the crop on the future market, provide the agency limits its activity to hedging - that is, selling on the future market all rapeseed as it is delivered. However, he adds, in practice, such activity of a board is likely to be suspect.

Examining the objective of board control of handling and transportation, Mr. Walker states that in theory complete control by a single agency could result in more rational allocation of facilities. But, in practice, such a system may prove to be inflexible and result in conflict in the allocation of facilities between commodities and fail to accommodate or take advantage of unforeseen demands.

Looking at the third objective of board control or

pricing, Mr. Walker says that in theory a single seller in the market, without competition, is able to extract a higher price for his product. However, he adds, in practice, rapeseed competes with so many different crops from different parts of the world that competitive factors could not be affected. In addition, it would be difficult to accurately assess

realistic prices for rapeseed without free interplay of supply and demand.

Mr. Walker cautions producers against rushing into a vote on a rapeseed marketing board without considering these factors very carefully, and without setting out specifically what they expect from their board and what its exact responsibilities should be.

Are Dietary Supplements As Necessary As Claimed

Health food faddists and health food stores promote the use of a wide variety of dietary supplements. For each one, a claim is made, which either exaggerates the truth, distorts the facts, or is not true at all. The untruth is hard to establish, but here is a list of some of these supplements and special foods, the claim made for them, and the truth regarding these claims.

1. KELP TABLETS

Claim: A source of iodine, calcium, phosphorus, iron, copper, magnesium, sodium and other minerals, and of alginic acid and mannitol.

Truth: Kelp is a plant which grows in the sea and is compressed into tablets. The claims regarding mineral content cannot be proved without analyzing the tablets. Alginic acid is not digestible so passes out of the body unchanged. Mannitol is a non-nutrient component of food, used as an anti-sticking and texturing agent in gum and candy.

2. GARLIC

Claim: For health, beauty, and vigor. Improves stamina, prevents fatigue. The addition of parsley reduces aroma, cures intestinal disorders, worms, respiratory infections, skin diseases, wounds and symptoms of aging, reduces high blood pressure, cures T.B. and whooping cough, prevents cancer, diphtheria, pneumonia, typhus.

Truth: All the above claims are completely unfounded.

3. ROSE HIPS PLUS CITRUS BIOFLAVONOIDS

Claim: Nature's richest and most concentrated source of vitamin C. Citrus bioflavonoids work with vitamin C to ensure our blood vessels have strong and efficient walls.

Truth: Rose hips (seed pods of roses) are an excellent source of vitamin C, but are citrus fruits. Bioflavonoids (from the skin of citrus fruits) are of no nutritional significance.

4. BREWER'S YEAST

Claim: A source of protein and many vitamins, especially the B vitamins.

Truth: Brewers yeast is a rich source of B vitamins only, not of other vitamins. Besides, it is unappetizing and results in production of uncomfortable intestinal gas.

5. BONE MEAL

Claim: A source of calcium, phosphorus, and flouride. Calcium deficiency results in defective teeth, demineralized bones, brittle hair, splitting fingernails, wounds and bruises that heal slowly, skin that has lost its elasticity, and tendency to gas, neuritis, back and leg pains; nervous headaches, and allergic diseases.

Truth: For a few people with intolerance for milk, bone meal may be a useful calcium supplement. However, some of these people can easily digest cheese, buttermilk, yogurt, and other milk products. For other people, a glass and a half of milk provides 84% (420 mg.) of the Canadian recommended daily intake of calcium for an adult. The symptoms claimed above for calcium deficiency, outside of bone effects, are not true.

No big difference seen in Fall-Spring fertilizing

By Wally Klatt, District Agriculturist

Reliable tests reveal that there is no consistent difference shown in the effectiveness of fall versus spring applied nitrogen fertilizer. If any differences do occur, then they are very little and can be one way or the other.

If nitrogen fertilizer is broadcast, then it should be "worked" into the soil to prevent loss from winds and spring run-off. If anhydrous ammonia is used, then at least one cultivation should be done prior to the ammonia application. Ammonia should not be applied to heavy strawed areas or gumbo type soil because of loss to the air. The soil should be loose and fairly fine (not lumpy) to hold the ammonia until it changes to nitrates.

Two main advantages of fall application are:

a) reducing the spring

6. VITAMIN C

Claim: Intakes of 1 to 2 grams per day will prevent and 4 to 10 grams per day will treat the common cold.

Truth: The Canadian Dietary Standard recommends an intake of 30 milligrams per day for the normal adult, and the U.S. allowances are set at 55 mg. (female) and 60 mg. (male). Until scientific trials can be carried out, current knowledge indicates the above claims have no scientific basis. It is also possible that large doses of ascorbic acid (Vitamin C) can change the chemistry of the urinary tract.

7. VITAMIN E

Claim: Prevents coronary artery disease and is useful in treating cardiac (heart) disease. Prevents blood clots. Decreases the heart muscles need for oxygen. Improves strength, tone, and function of artery walls, strengthens heart muscles, regularizes pulse, normalizes blood pressure. Best treatment for burns. Helps diabetes.

Truth: There is no docu-

work load.

b) generally lower fertilizer prices occur in the fall. Some disadvantages would be soil erosion and the non-flexible program for certain crops.

Cowman's Clinic

Issued from the District Agriculturist's office.

A cowmen's clinic will be conducted at Stettler, Alberta, on October 17 beginning at 9:30 a.m.

Dr. McFarlane will be the guest speaker and will be speaking on:

a) Conformation and fertility.

b) Animal behaviour and how it effects herd management.

c) Calf vitalization.

The place at Stettler is the Stettler Auction Mart.

mented medical evidence to support the claims for Vitamin E in the prevention or treatment of heart disease or diabetes.

8. FERTILIZED EGGS

Claim: These are superior to regular eggs because they contain hormones not found in regular eggs.

Truth: Fertilized eggs do not contain additional hormones and they have the same nutritive value as regular eggs. However, they have limited storage time and will germinate if not kept at regular refrigeration temperatures. As well, the quality of the egg is below agricultural standards for regular eggs.

9. DEHYDRATED VEGETABLES

Claim: For healthful salads, soups, vegetable dinners. No spray, chemicals, preservatives, just add water and the vegetables "come alive".

Truth: 8 ounces of mixed, dehydrated vegetables for \$1.50 will make 3 1/2 lbs. of vegetables. The process of dehydration reduces vitamin C content. For \$1.50 one could purchase an equal or greater amount of fresh vegetables, with much superior taste appeal.

Mother thought the organist was off key. Daughter said the soprano was off key. Father complained the sermon was too long. Little Johnny, having no complaint, merely remarked, "I thought you got all you could expect for a quarter."

"To put it in the space age vernacular, all systems are gone."

All about soil sampling

By Wally Klatt, District Agriculturist

A good representative soil sample, when analysed, will indicate what fertilizer or plant nutrients are required. A poor soil sample is just about as bad as no sampling at all.

Producers can normally "guess" fairly closely as to how much fertilizer is required if their soil has recently been sampled and analysed. However, if no sampling has been done for the past two or three years, then this guess can cost the producer's money by applying not enough or too much fertilizer.

October is a good month to

take samples. Kits and instructions are available from the district agriculturist's office, Morinville.

Forage Seeding Program

By Wally Klatt, District Agriculturist

The federal government has advised that their agriculture personnel will visit main centres after harvest to assist farmers in the application of their grassland incentive program applications for forage seeded in 1973.

Dates of these visits will be published in local papers and over the radio.

Eishen - Regimbald Wedding

St. Joachim's Roman
Catholic Church in Edmon-
ton was the setting for the
beautiful wedding of Lau-
rette Regimbald and Jim
Eishen. Laurette is the
daughter of Mrs. Yvette
Regimbald and the late
Harve Regimbald from Leg-
al and Jim is the son of
Mr. and Mrs. Victor Eis-
chen from Meota, Sask.

The nuptial mass was
celebrated by Father A.
Mercur before an altar
banked with baskets of yel-
low mums and orange glads.
The scripture readings
were read by John Cad-
rin of Meota, Sask. The altar
boys were Daniel Bergerli
and Melvin Cornells.

Doreen Cornells was or-
ganist and soloist was Mrs.
Muriel Krauskopf.

Given in marriage by
her mother the bride was
radiant in her gown of
french lace over peau de
sole featuring a detachable
train with matching french
lace over peau de sole.
Her bouffant lace veil fell
gently from a french lace
cap. Her jewellery was a
delicate pearl pendant with
matching earrings. She
carried a cascade of wo-
bun abby roses with or-
ange and yellow centres.

Bridesmaids, Jeanne
Regimbald sister of the
bride, Bernadette and Ver-
onica Eishen sisters of
the groom, wore identical
yellow nylon tricot gowns
banded with a ribbon tie-
ing a bow at the back. They
proudly wore ivory
pendants with matching
earrings, gift from the
bride. They carried bou-
quets of daisies.

The groom's attendants
were Dianne Bauer, Joe
Gierzyk and Francis Nieu-
eau. Ushering the guests
were Roland Laframboise
cousin of the bride and
Julius Vany, cousin of the
groom.

Following the ceremony
a reception and dance was
held at the Legal Commu-
nity Hall with John Cadrin
acting as master of cere-
monies for the occasion.

To receive her guests
Mrs. Regimbald was charm-
ing in her coral polyester
corset gown with tropi-
canna roses on corsage.

Mrs. Eishen was lovely
in a polyester floral print
gown complimented by a
corsage of white roses.

Jim and Laurette will
make their home in Edmon-
ton.

Out of town guests were

Chalifoux's celebrate silver wedding

Art and Loretta Chalifoux with their children on the occasion of their 25th wedding anniversary. At back row left is Ronnie, with Bernice, Denis, his wife Peggy, Guy, Marcel, Lynn and David. In front are Elaine, Art, Loretta and Kenny.

By Flo McGlavin

Some 80 relatives, neighbors and friends gathered at the Morinville Legion Hall on Saturday, Sept. 8 to congratulate Mr. and Mrs. Art Chalifoux on their 25th wedding anniversary.

The honored couple, Loretta and Art Chalifoux, were first treated to a family smorgasbord meal (complete with anniversary cake and champagne) at the Hotel Londonderry in Edmonton. Upon returning to Morinville they were taken directly to the Legion Hall where their many guests were waiting to surprise them. Among the unexpected guests were: Mr. and Mrs. Maurice Kremer of Athabasca, and Mr. and Mrs. Keith Warren of Calgary.

A social evening of singing, dancing and refreshments had been organized by the family of six boys and three girls. Loretta and Art were fêted and entertained by their children Denis and wife Peggy, Guy, Marcel, Bernice, Ronnie, Lynn, David, Elaine and Kenny. All the children live at home except Denis and his wife Peggy who live only a few blocks away in Morinville.

Maurice Kremer who was the best man on Sept. 8, 1948 presented the happy couple with an album of pictures put together by the family to recall the 25 years passed. He also presented Loretta and Art with a generous purse which is to be used toward a holiday for the couple.

Later in the evening a buffet lunch was served as fond memories of the past 25 years were recalled. When the complete wedding party gathered for photos it was most noticeable how persons had changed a great deal, especially the flower girl (Mrs. Doris Found) and the ring bearer (Mr. Paul Chalifoux).

As their children, friends and neighbors wished them many more happy years together, Loretta and Art expressed their gratitude for such a lovely celebration, and for the wonderful gifts they had received marking this memorable day. Stated in everyone's words - "They will always recall the wonderful time that was truly enjoyed by all."

Learning Difficulties Institute Set

Friday, October 5 will see the Sturgeon Institute on Learning Disabilities being held at Georges P. Vanier School in Morinville. This Institute is sponsored by the Sturgeon Local A.T.A., (which includes schools in Sturgeon School Division #24 Thibault School District and

Legal School District.)

The first session will begin at 9 a.m. on Friday, Oct. 5 and will include all teachers. Topics will "Focus on Learning Disabilities" and "Classroom Teacher and the Remediation of Learning Disabilities."

During the afternoon, two sessions are planned for 1:15 p.m., one for the elementary teachers and one for the junior - senior high school teachers.

The elementary teachers will hear speakers on the topics - "Remediation of Language Deficiencies" and "Characteristics and Remediation of Perpetual Motor Skill Deficiencies."

Junior-senior high school teachers will hear speakers and discuss - "Group 'B' Electives: grouping, evalua-

tion, curriculum development" and "Group 'B' Subject Area Groups."

Afternoon sessions will conclude at 4 p.m. and during the lunch break 12 - 1:15 p.m. the ladies of the Morinville Parish will be serving a turkey dinner in the Morinville Recreation Centre. Speakers at the Institute will include: Edmonton Regional Office, Department of Education: Mr. A. Pike, (Administrator Consultant) and Mr. P. J. Baker, (Consultant in Guidance); Mr. Clement King, Supervisor of Learning Disabilities, Edmonton Separate Systems; Miss E. Bradshaw, Remedial Specialist, Edmonton Public School Board; Dr. Lillian Whyte, Department of Educational Psychology, University of Alberta.

Rural Recreation Offers Dancing Lessons

By Jean Smith

Dancing lessons sponsored by the Recreation Department, Sturgeon Regional Recreation Council will commence the first week in October, 1973 in Bon Accord, Gibbons, Legal, Morinville and Riviere Qui Barre. Cost will be \$4 per child per month.

Instructor will be Mrs. Marion Nicholson of Bon Accord.

Tap dancing will be offered for all ages including preschoolers four years of age and over and modern jazz for nine years of age or over.

When classes have been organized students will be given specific lesson times. For more information please telephone the Recreation office - 256-3321 or 424-6276.

A young lady from Legal, Darlene Derrien, proudly holds a giant Maple Leaf measuring 13 inches wide and 12 inches long. Darlene found these leaves on Frank Laberge's farm (a neighbor). She is a six year old in grade 2 and enjoys collecting leaves and pastes them in a scrapbook. She is Mr. and Mrs. Al Derrien's daughter.

Villeneuve

By Margaret Borie

St. Peter's C.W.I. held their September meeting in the Community Hall on Sept. 25. A welcome was extended by the president, Mrs. Gilbert Soetaert to Father Cunningham, the new parish pastor at Villeneuve.

It was decided to hold a fall supper in the Villeneuve Hall, Sunday, Oct. 28th. The supper convener is Mrs. Robert Lema. Further particulars will be given at a later date.

—Th

The sympathy of the parish is extended to the members of the Berube family on the death of their father Mr. Joseph Berube.

Congratulations to Harold and Jean Olsen on the birth of a son at Sturgeon General Hospital.

Also to Victor and Dixie Soetaert on the birth of Dale Victor. Father Jim Smith officiated at a very impressive baptismal service. Very appropriate music of Gordon Soetaert, Garry Boddez, Reni Soetaert was complemented by the solo singing of Brian Klak and Gerald Soetaert.

Grant Patrick was the name chosen by Armand and Irene Renaud for their first born. Congratulations,

"Take the TD Cash-builder Pledge and promise yourself a little money."

Says Robert D. Thomas, TD Manager, St. Albert

TORONTO DOMINION
the bank where people make the difference

Cash-builder is TD's plan to make saving easy. You tell us how much you'd like to save on a regular basis, we'll take it from there. First, we'll deduct that amount from your Chequing Account. Once a month, twice a month, whenever you say. We will deposit this into a high-interest Premium Savings Account. And if you don't have a Premium Savings Account already, we'll be glad to open one for you.

One reason Cash-builder works is because it's automatic. And what you don't see, you're not so likely to spend.

We also keep it flexible. If something comes up and you need some extra money, we can stop it - then restart it, a month or two. And, if you've just paid off a loan or got a raise in salary, you may decide to pay yourself a little more.

To find out how much you can promise yourself with comfort, call in and talk it over. Then take the Cash-builder Pledge. We've seen it help others get some of the things they really wanted. And we'd like to help you put it to work for you.

An Alberta Wheat Pool building crew of 25 workers expect to complete this 170,000 bushel elevator under construction next to the Morinville Seed Cleaning Plant before the end of the year. This giant elevator will provide ample storage and handling facilities for the area and will replace two much smaller and older elevators located immediately west of town and slated for demolition. In the foreground are two of the workers, Noris Henderson, (left) and Nick Moskal.

Frosh Victims Survive Vanier Initiation

September 14 at Vanier was a very big day this year. On that day the initiation of all Grade 10 students, the freshmen in our senior high took place. The grades 11 and 12 students were determined to make this an "unforgettable" experience and unfortunately for some, they succeeded. Many a grade 10 student was made to depart from their various homes in Morinville at extremely early hours of the morning. They were ordered to do everything from preparing breakfast to sweeping driveways - as well as kneeling every five minutes in the wet soggy grass to recite "Frosh Prayer."

The costumes were varied; some cute, some imaginative. A charming ballet dancer (Laurier Tailleux) turned up in a black leotard and white tutu. The Jolly Green Giant (Richard Brochu) was draped in crepe paper leaves and covered with a strangely familiar shade of green. Baby Hewey (George Vansevenant) was resplendent in a snowy white diaper and baby bonnet.

In the evening, Kangaroo Court was held in the gymnasium and was filled to the brim with parents and students. Judge Denis Proulx was accompanied by bailiff Terry Maslyk. For the first

time ever, a defence lawyer Doug Bryan, whose services were offered and supplied to the frosh students, was of no help. He unfortunately objected too soon in the evening and was quickly disposed of.

Little Miss Muffet (Jack Dupuis) threw curds all over Jan Gibeau, one of the assistants on stage. She, of course was justly rewarded. Jane, (Ruby Khullar) screamed for her hero Tarzan (Raymond Bolssonault) as Charles Atlas (Lorraine Riopel) tried to attack her. She was rescued when he broke loose from his cardboard box and carried her off the stage. In the dancing competition, the Charleston girl (Joanne Cormier) won with all her beads swinging and shaking, while her rival, the go-go dancer, (Mike Hunter) wiggled her way to second place.

Raquel Welch (Gerry Carignan) almost seduced the alcoholic (Rosella Podgorny) while his wife (Carol Burnett (alias Linda Logan) mopped up the stage. Chad (Collette Gibeau) shaved Gronk's (Roch Schafers) hairy legs while he trembled with apprehension. Cher (Debbie Vranas) sang a vibrant rendition of "Half-breed" while Sonny (Marc Beland) joined in on one or two words.

The exercises were followed by a dance at the Recreation Centre with the band "Andromeda" providing the music. There was a good turnout and most people enjoyed the dance. The

Frosh committee, headed by Raymond Bauwens has done its best this year to let the Grade 10's have a "great" time on Frosh day.

The neatest squelch of the night was delivered by a customer when one of the waitresses at a local restaurant gave him the, "You're old enough to be my father" routine. "It's possible", he said, "What was your mother's name?"

Student Exchange offers new experiences and fun

By Liz McLeod

The Grand Falls students arrived July 14 and were taken to the homes of their St. Albert counterparts, for supper and an evening.

That night a get-acquainted party. The next day was a free day until a town sponsored banquet. Everyone enjoyed the evening which ended with a swim at the pool and a get-together in the Clubhouse.

The next day the 16th they had a city tour including city hall, the Parliament Buildings, Vista 33 and points of interest. An evening hayride at the Bokenfohr farm and a corn roast was sponsored by the Knights of Columbus.

A visit to the Alberta Game Farm and Elk Island Park and the K-days parade and grounds took two more days. On the 19th the students left for Banff, spending the day at the (hot springs, gondola, Johnson's Canyon). Then it was back to Calgary and overnight at SAIT. Next day they toured Heritage Park, the Zoo and residential areas. Coming back home, the following day was free, and then the Lions barbecue. The 22nd, was left for family activities (day at the lake, museum and Ex.) before leaving by air for Toronto on the 23rd.

They flew on a DC8, changed planes with a two hour wait, then on to Montreal and a wait of five hours before going on to Moncton, New Brunswick, and stopping at St. John's. They took a bus from the airport and then a train for Grand Falls.

The next day was free for such activities as mini golf and swimming. That evening a town sponsored reception was held in their honor and they were presented with mugs, potato men and pamphlets about Grand Falls.

On the 26th they visited the town of Grand Falls, the wells in rock, the falls and gorge and then enjoyed a Brayon supper at Centennial Park. A Brayon supper consists of beans, fiddleheads, (greens) and a type of buckwheat pancake called (Tloulle).

On the 27th all rose bright and early, (6 a.m.) so they could go on a 300 mile trip to Shediac which is a town on the ocean. Enroute they crossed the world's longest covered bridge at Hartland and also stopped at Fredricton to visit the Parliament Buildings. Lunch was Kings Landing, an historical loyalist settlement.

When they arrived at Shediac they went to Parlee Beach, which is a government operated campsite. They pitched their tents, then went by the ocean and enjoyed a meal of lobster.

The next day, they enjoyed a swim in the Atlantic and then on to tour the greater Moncton area and magnetic hill. Then that gruelling 300 mile trip home. Sunday, the 29th was again a free day in which nothing was planned, but a surprise

birthday party was held for one of the Grand Falls boys.

On Monday a softball game was greatly enjoyed and that evening a group of zesty people went roller skating at Caribou, Maine, U.S.A. which was about 40 miles away. They returned a group of bruised, blistered people but it was fun!

On Tuesday the hydro power plant at Grand Falls was visited, then to a factory where paper and gunnysack potato bags are made and printed. Then on to Gagnon's

sugar camp, a real honest to goodness maple sugar camp, and later into the pea fields to watch the harvest.

Wednesday evening they held a big farewell party. One more free day when the people just visited each other and went shopping.

On the 3rd they were supposed to leave at 8:53 a.m. by train, but due to the rail strike they left at 9:30 p.m. by S.M.T. bus. They changed busses at Edmunston to a voyageur bus and on to Montreal, viewing Expo '67, and

Man and His World. After a two hour wait they boarded a bus for Ottawa. They toured Ottawa seeing the PM's house, Embassy's and the Queen and her cavalcade.

After visiting the Parliament Buildings and Peace Tower they went back to the bus depot for their luggage and then to Ottawa airport. They flew to Toronto and after several hours delay, on to Edmonton and home, resolved that the student exchange trip was a once in a lifetime experience.

Calahoo man takes Westlock bride

By Liz McLeod

The R.C. Church of the Resurrection in Edmonton was the scene of five weddings August 11, one of them being the union between Miss Hazel Dobyanski of Westlock Mr. and Mrs. J. Dobyanski Mr. and Mrs. J. Dobyanski's daughter, and Mr. Russell Brown, Mr. and Mrs. Fred Brown's son, of Calahoo. A large number of relatives and friends witnessed the Rev. Father McNeal perform the ceremony with organist being Mrs. F. Anderson.

The bride's twin sister, Hester supplied the baskets of flowers which graced the altar for this happy occasion.

The bride, given in marriage by her father, was lovely in her princess A-line gown with short puffy sleeves and stand-up collar, styled with a flowing train trimmed with lace. Her veil was held in place with a cap style headpiece. Her bouquet was of light yellow carnations with fern, and baby's breath.

The bride's sister Mrs. Mae Brown was matron of honor and the bridesmaids were the groom's sister, Cheryllyne and sister-in-law Mrs. Marlene Brown. Their gowns were the same style as the bride's but in blue and yellow floral print and they were holding yellow daisies with blue star flowers splashed in.

The best man Mr. Jim Brown and the attendants Mr. Joe Dobyanski and Mr. Garry Brown, were all dashing in black tuxedos with yellow shirts to match the bridesmaids dresses and flowers.

The ushers were Dwayne Brown and Mitch Paukey. The bride's mother received her guests in a light pink dress with round collar neckline and matching corsage.

The groom's mother looked equally elegant in her pink designed dress with matching corsage.

A beautifully decorated 3 tier cake graced the head table at the reception held in the Romanian Centre.

Mr. Jim Brown was a very capable master of ceremonies and after the delicious meal the tables were cleared and placed ready for dancing to the music of "He and Three."

Hazel chose to send her bouquet to her grandmother in Holland and for her honeymoon trip to Banff and Jasper she donned brown checked slacks, brown blouse with green scarf worn with a light

green coat and brown accessories. The couple are making their home in Edmonton.

Out of town guests included Hazel's aunts and cousin from Holland.

Legal High holds Elections & Frosh

By Cathy Montpetit

On Thursday, September 13, elections for the Student's Union executive were held. The president, Jimmy Hunting, and vice-president Patsy Montpetit, had been elected last spring, so they were busy taking nominations.

Elected were: Paulette Cloutier, secretary-treasurer; Margo Montpetit, girl's social convener; Claude Letourneau, boy's social convener; Laurette Kieser, girl's sports rep. Mike Kallal, boy's sports rep., Marie St. Martin, photographer; and Cathy Montpetit, reporter.

To start the year off right, the Student's Union held its annual "Frosh" on Friday, Sept. 21. There were some 40 students dressing up for this occasion. The Kangaroo Court justly (?) tried and convicted each and everyone of the prisoners into the Student's Union.

Punishments were dealt out to the offenders by the grand judge, Jimmy Hunting and his four helpers, who

were Leonard Brisson, Paulette Cloutier, Margo Montpetit, and Danny Rivard. Sheriffs Patsy Montpetit and Claude Letourneau completed the jury.

In spite of repeated moanings and groanings from the unfortunate ones, the jury kept on dealing out punishments for close to two hours. However, the punishments were soon forgotten with the dance that followed. Everyone enjoyed themselves while dancing to the sound of "Kryshna."

Bon Accord Council discusses development

All members of council were present at the regular meeting of Bon Accord council on September 17.

DEVELOPMENT CONTROL
A motion was passed reversing a former decision to refuse a building permit for a duplex on Lot 22, Block 7, Plan 5261, B.A.

A discussion was held on positioning of garages in the northeast subdivision. Since there is still some confusion about certain aspects of this problem, the matter will receive council's further consideration. The appointment of a new development

control officer will be dealt with at the organizational meeting of council to be held October 15, 1973.

DOGS
Mr. Jim Thompson, dog handler, met with council to discuss problems he had recently encountered. He had been questioned about the licensing of the pound but was later assured that this was not required. He also requested tighter controls for licensing and reported a dangerous dog. Revision of the Dog Bylaw is on the agenda for December.

PUBLIC WORKS

Details of the Provincial Street Improvement Program were discussed and it was felt that a plan should be formulated and the grant should be applied for, based on the January 1974 census.

Full work was discussed. It was suggested the culverts on 50th street be replaced with larger ones to improve drainage. Some stripping at the lagoon site is planned so that fill dirt will be available when required. The land surrounding the water storage reservoir has been graded and partly sodded, with the remainder seeded to grass. Difficulties had been encountered in grader maintenance and replacement is being considered. Purchase of a respirator for use by the maintenance man while working in lift stations and manholes was authorized.

RECREATION

Mr. Elmer Brennan met with council to present the Regional Recreation Board's budget for 1973 and requested an amount of \$303.28 as the village portion. Payment of this amount was authorized on receipt of the requisition.

Mr. John W. West was appointed alternate member to the Regional Recreation Board.

WATER AND SEWER EXTENSIONS

A motion was passed to invite tenders for extensions to water and sewer services to Lots 11-18, Block 3, and Lots 18-24, Block 6 - all Plan 5261 B.A.

OTHER BUSINESS

An information card is being considered, giving emergency telephone numbers, recreation information etc., for distribution to new residents. Mr. N. Mansfield reported that the emergency telephones authorized at an earlier meeting will be installed by mid-October.

A discussion took place on possible locations for office building and fire hall, and planning matters in general, but no decisions were reached.

Report From Bon Accord

By Sadie Allen

Plans for the annual hall-oven party are underway with the committee in charge already having held a preliminary meeting, to make plans for a safe and enjoyable fun night for Bon Accord and district young people.

For the edification of any who are new to the district, several years ago a group of town ladies comprised of Doreen Irmen, Rose Ruth, Marjane Brown, Irene Deedman and later Doreen Zender and Donna Fleming, came up with the idea for a "Keep the kids off the street" party on hallowe'en. Instead of everyone laying in a private supply of treats, each family is asked to contribute \$3 to the party fund. With the money collected the hallowe'en committee provides good entertainment, prizes for costumes and a bag of treats for each child. To date the parties have been a great success and hopefully will receive the support of everyone. A member of the committee will be around to receive your donation sometime in October. For further information, phone Rose Ruth at 298-3931.

Congratulations and many happy returns of the day to Mrs. Amber Hewitt who celebrated her 81st birthday on September 23.

Janet Mulligan and Kim Reynolds attended Camp Ho Ho last weekend as delegates of the 4H Food and Clothing clubs.

Reorganization of both 4H Food and Clothing clubs is slated for the first week of October. Registration of clothing club members will be held at the home of leader, Joanne Long on Tuesday, October 2 at 8 p.m. Girls MUST be accompanied by their mothers. Reg. stratification of food club members will be held on Wednesday, Oct. 3 at the home of leader Edith Kowalski, two miles west and 3/4 of a mile south of Bon Accord at 7:30 p.m. Here again prospective members must be accompanied by a parent. Girls must be 10 years of age by January 1st, 1974.

Congratulations to Wes and Marilyn Carleton on the birth of a son, Scott Logan, on September 21.

Registration for a large selection of crafts and activities was held on Wednesday, Sept. 26 in the B.A. Community Centre.

ATTENTION SPUD LOVERS - Saturday, Sept. 29 is WE DIG - YOU PICK DAY at the Bill Carleton farm, one mile west and two miles south of Bon Accord or eight miles east from Morinville. Potatoes will be going at \$4 per hundred, with proceeds to go into the arena fund. Bring your own bags if you can or bags will be available to buy.

Cadet parades are being held regularly on Tuesdays at 7:30 p.m. in the Bon Accord Community Centre. There is a good turnout this year and a most interesting program planned for the coming year. Both girls and boys are welcome to join.

Visiting in the district from Chemsinus on Vancouver Island are Marshall and Alice Hewitt.

EMERGENCY COURSE

The Alberta Emergency Measures School held an extension Rescue course last week in which members of Bon Accord's Emergency Services took part. The men, volunteers of the Bon Accord fire department and St. John Ambulance Emergency Service are as follows:

FIRE DEPT. - Mr. Bill Reynolds (Village Coordinator, Alberta E.M.O.); Mr. Floyd Bjerkie; Mr. Jim George (acting Fire Chief); Mr. Duncan McDougall; Mr. Hank Meyer.

AMBULANCE - Mr. Ken Fearnley (Village Building Inspector); Mr. Nigel Mans-

field (Superintendent, St. John Ambulance).

All men on completion of the course, became volunteer members of the Alberta Emergency Measures Organization. Mrs. Linda Fearnley acted as casualty in the rescue from heights phase of the course, and the Bon Accord Hall Board made the hall available.

Toews - Petrie wedding

By Lis McLeod

A wedding of interest to relatives and friends in St. Albert, Morinville and Calahoo was solemnized in St. Martin's Anglican Church, Fort St. John, B.C. on Sept. 1, 1973 at 4:30 p.m., when Catherine Anne, eldest daughter of Mr. and Mrs. George Petrie and Leslie Toews, second son of Mr. and Mrs. Harley Toews, all of Fort St. John district, pledged marriage vows with the Reverend Canon K. M. Collinson of Dawson Creek officiating. Mrs. Wooley was the organist.

Given in marriage by her father, the bride was lovely in a simple length gown of white pleu de sole in A-line style with train. Bands of lace down each side of centre and around the hem of her train emphasized its beauty. Her long fitted sleeves were trimmed at the

wrist with matching lace medallions, all made by her mother.

Her shoulder length, tiered, lace trimmed veil was held in place by a coronet of white roses and lily of the valley. She carried a triangle of pink roses and buds centered by two white orchids with white ribbon streamers tipped by deep pink rosebuds.

Her sister-in-law, Mrs. Henry Petrie was matron of honor, wearing a floor length gown of peacock blue polyester crepe with white lace yoke. Her bouquet was a horseshoe of brown centered; yellow daisies and blue cornflowers and matching blue flowers formed her head band.

The groom was attired in a white dinner jacket with black lapels, white shirt, black necktie and black trousers. His boutonniere was a flame pink rose and bud. His attendant, Henry Petrie (brother of the bride), wore an identical outfit with shirt and boutonniere of peacock blue. Ushers were Terry Bourdon of Fort St. John and Edwin Pallister of Carvel, Alberta.

For her daughter's wedding Mrs. G. Petrie chose a coral lace formal gown with puffed sleeves and deep ruffled cuffs, and a white orchid corsage.

The groom's mother wore an identical gown of blue lace, enhanced by blue velvet ribbon at waist and neckline. She wore coral roses corsage.

The reception was held in the Royal Canadian Legion Hall where some 80 guests enjoyed a buffet supper.

Master of ceremonies was an uncle to the groom, Mr. Neil Fehr of Two Rivers, B.C.

Grace was said by Lawrence Edel of Fort Nelson. The toast to the bride was proposed by Oliver Ferguson of Pee Jay-Union Oil Camp.

A three tiered wedding cake, made and decorated by the bride's talented mother, centered the head table which was covered with a white crocheted lace cloth, made by the bride's maternal grandmother for the bride's parents wedding.

Carol Petrie attended the guest book. Out of town guests included the bride's maternal grandmother, Mrs. Annie Norris of Devon, Alta. uncle and aunt, Mr. and Mrs. Ian Pallister and family, Maryann, Shirley, Edwin, Tony, David and Robert of R.R. #1 Carvel, Alta.

Aunt, Mrs. Dorothy Delaney and children, Sandra, Sheila and Scott of North Vancouver, B.C., and uncle and aunt, Mr. and Mrs. Floyd Switzer of Edmonton, Alta.

The groom's maternal grandfather, Mr. Tom Robinson of Chilliwack, B.C., uncle and aunt, Mr. and Mrs. Dick Robinson and family of La Glace, Alta. and uncle and aunt, Mr. and Mrs. Alex Sinclair and family of Vanderhoof, B.C. Also present was the groom's paternal grandmother, Mrs. Anna Toews of Fort St. John, B.C.

Gibbons Council meets with health inspectors

A representative from the library board came to the meeting to discuss the opening of the library and to pick up a cheque to cover the grant from the village. Hopefully the library will be opened on October first to the public. A good many books have been received by the committee and another lot is expected.

Mr. K. McAmmond, senior health inspector with Sturgeon Health Unit, and Mr. P. Lee came to the meeting to discuss garbage disposal, and a new disposal area. The secretary was to write to Century Industries to get all information possible about their disposal

village. The new sewer line and treatment lagoon are now underway and as soon as pipe gets here the contractors will start to lay the main line. The lagoons and pits are now being constructed.

As Mr. Oliver and Mrs. Morin were not at the meeting, the submission by Mr. Oliver to look into the possibility of purchasing the old station was discussed and tabled to a future date. It was generally felt that the council should not venture into the purchasing of this building and that perhaps some service club might be interested.

The fire chief gave a brief account of the house inspection to take place during Fire Prevention Week being the week of October 7 to October 13.

The meeting adjourned at 9:45 p.m. by Mayor Holmes.

Golden agers and guests enjoy show

By Lis McLeod

A delightful evening was spent in the Gazebo, Sept. 12, when the Calahoo Goldenage Club invited Villeneuve's Happy Sixties Club and Morinville's Senior Citizens Rendez-vous Club, to their regular bi-monthly meeting.

Tim Deutscher and Marjolaine Chamberland of the Recreation Department showed slides taken on the southern tour this summer. Such beautiful scenery and the people involved! Happy memories were revived and for many it was a trip taken in pictures.

Those present from Morinville were - Mrs. Bernadette Ouellette, Mrs. Maria Rousseau, Mrs. Hermia Houle, Mrs. Madeline Bauwens and Dorothy Daignault. From Villeneuve were Mrs. Felina Borle, Mr. and Mrs. Cyril Borle, Mr. and Mrs. Simon Oulmet, Mr. and Mrs. Albert Soetaert, Mr. and Mrs. Luke Majeau, Mr. and Mrs. George Soetaert, Mrs. Mary Verstraete, Mrs. Alice Majeau, Mr. Emilie Verstraete, Mr. and Mrs. Charles Victor, Mrs. Wm. Oulmet and Mr. and Mrs. Leo Berube.

Then there were Mr. and Mrs. Charles Seeley, Mr. and Mrs. John LaFleur and Mrs. Mildred Palmer (members living in Onaway) besides a good share of Calahoo's members numbering 68 in all to enjoy one another's company in playing games, visiting and fun.

88 in all to enjoy one another's company in playing games, visiting and fun.

In whilst the men's high went to Albert Soetaert with boogie going to a visitor in the district (formerly of Calahoo and now residing in White Rock, B.C.) Mr. Eugene Hoefle.

The ladies high score was gained by Linnea Majeau with boogie going to Gloria Seeley. Visiting during lunch is always a relaxing experience and Calahoo's club wish to thank Tim and Marjolaine for taking the time to share the slides with us and to each and everyone of our visitors for such a pleasant evening.

NOTICE
Householders Of The Village Of Gibbons
Your Volunteer Fire Department personnel will carry out a house inspection in the Village of Gibbons during the week of October 7 to October 13 to generally inspect homes for fire hazards. They will get some general information regarding the number of persons living in the home, location of basement bedrooms, and other data. Please accept the visit of these firemen and ask any questions that you may have about the department and also about what to do in case of fire.
Thank you,
EARL YEO,
FIRE CHIEF.

MORINVILLE MEMOS

By Flo McGinnis

Town council, at its regular meeting Sept. 11, gave first reading to Bylaws No. 14 and 15/73 which should make many people pretty happy. These two bylaws concern Curbs and Gutters on Frontenac Avenue, and asphaltic surface treatment on Elhler Street and Frontenac Avenue. Now all we need is some help with the weather. Speaking to the contractor late Wednesday afternoon, they were all prepared to start the actual surfacing early Thursday morning. Of course by now we all know what happened, and it's not very funny, especially this late in the season. Maybe if we could all get together and concentrate on the phrase "clear skies" while throwing salt over our left shoulder, we could come up with some decent weather. We'll check later this week to see if the stores

have had a big run on salt, that way we'll know whether you are really trying!

Morinville Legion Branch 176 are contemplating possible renovations to their building, and the matter will be discussed at their meeting on October 4. Other news from the Legion shows that they will be having a Social Evening, Sept. 29, and a Games Night (mixed) on Friday, October 12. The executive has recently announced that they will be holding a dance and buffet banquet on November 10 rather than the usual get-together after the Remembrance Day services

Dorothy Daignault, secretary-treasurer of the senior citizens Rendezvous Club sends in a report that the club is planning a bazaar and bake sale soon and it is expected that each member of the club will donate some article for the bazaar as well as something for the bake table. The date of this event will be announced a little later.

The Augustana Golden Age Club of Edmonton have invited our local senior citizens to visit them on October 11. The bus will leave from the Recreation Centre at 11 a.m. and senior citizens are requested not to bring a lunch this time. Mrs. Kenny Detannacour is the person to contact to ensure a seat on the bus. It is necessary to have the number of people who will be attending, since the Augustana Club wishes to know how many people to prepare for.

Last Wednesday evening an enjoyable evening was spent with the senior citizens at their twist drive and bingo. Special guests invited for the evening were the 17 young people from Mexico and South America who are spending a month in town. As well as being entertained at cards etc., the young people did some entertaining of their own, with folk dances and songs, Spanish, French and English

were the languages of the evening, with much exchanging of ideas and expressions.

Winners that night were: Ladies 1st for Whist - Clarice Beupre; Booty Prize - Claire Dion; Men's 1st for Whist - Romuald Detannacour; Booty Prize - Louis Boulet; Door Prize - Mrs. John Nauwen. The draw for the quilt saw the name of Diane Henderson of Edmonton come up. She is the granddaughter of Mrs. Omer Houle. The senior citizens wish to formally thank everyone who purchased their raffle tickets and to congratulate the winner.

"People have two things to give - and it takes both of them to make Red Cross work. Time and money," so start off the Red Cross Campaign Editorial. It goes on to say "When fire or other minor disaster strikes someone in the community, Red Cross is there with emergency aid," and this immediately brings to mind the wonderful help that the Remi Lambert family received earlier this year when fire destroyed their mobile home - this is only one example from our own community. Reading a little further we note that it states - "In case of illness or accident, the sickroom loan service has equipment available free of charge," and we think of how many times for example, people in our own community have been able to get a wheelchair or crutches on loan. Also - the Red Cross swimming courses that so many of our residents have taken advantage of, are a good example of how the Red Cross helps us all.

There is no question of the fact that the Red Cross are pretty expert at stretching a dollar, but first of all they have to have the dollars to be able to stretch them! This year the annual campaign will be carried out during the month of October in Morinville, sponsored by the United Ladies and the Christian Church Ladies Aid, along with assistance from other groups. Later on the same people will sponsor the Blood Donor Clinic for Morinville and district. Last year, Morinville went "over the top" in its objective, and it is hoped that with your help and co-operation it can be done again this year. The date and hours of the Red Cross Blood Donors Clinic will be announced later. When the can-

Morinville Lions Launch Firearm Program

By Flo McGinnis

Once again the Morinville Lion's Rifle Club will be holding a Junior Firearms Training program involving boys and girls from 10 to 15 years of age. Commencing October 11, the young people will meet at the Arena at 7 p.m. for the once a week classes.

The Junior Firearms Training program is a 10-week course with the intention of instructing youngsters in the proper and safe method of handling firearms.

The fee for the 10 week course will be only \$2.50 which will cover all expenses to the child. Registrations will be accepted at 7 p.m. on Wednesday, October 2nd at the Arena.

Beginning October 9 the Rifle Range will be opening for competitive shooting. Youngsters who have received a certificate showing that he or she has successfully completed the Junior Firearms Training Program will be eligible to participate. Competitive shooting will be

vasser calls at your door early in October, the sponsoring groups hope that you will support the Canadian Red Cross by supporting the local appeal.

The Mother's Local to Guides and Brownies have a new executive for this new year. Elected at the registration night and general meeting on September 18 were - President, Mrs. Kathy Brown; secretary - Mrs. Maxine Chalfoux; treasurer - Mrs. Rita Sambrorski; badge secretary - Mrs. Sandra Johnson. The Mother's Local assist and sponsor the guides and brownies in Morinville, and their one big fund raising event is the annual rummage sale. This year the sale is slated for October 25 at the Recreation Centre beginning at 9 a.m. sharp. For further information regarding the Mother's Local you are invited to call Mrs. Maxine Chalfoux at 256-3191 or Mrs. Kathy Brown at 256-3503. Ag. Society Launches \$400,000 Arena Project

Mrs. Clara Williams presented the Sturgeon Agricultural Society with two donations, one of \$100 from the Frank Williams Memorial Fund and the other of \$115 on behalf of the Pythian Sisters.

An estimated 80 persons were present at the Community Hall in Gibbons last Thursday night to participate in a special presentations ceremony and public meeting of the East Sturgeon River Agricultural Society.

Chairman of the meeting and president of the Agricultural Society, Earl Toane entertained discussions from the floor regarding the various phases of establishing the arena in the Gibbons community.

A detailed explanation of the arena proposal was delivered by the architect, who revealed that the structure will cost about \$400,000 and

should be completed in May of 1974. He said that immediately, a start could be made to pour the foundation and erect walls and the roof before winter sets in.

Mr. Toane added more information relating to the new arena for Gibbons by announcing that the structure will accommodate a 40 ft. by 60 ft. mezzanine where meetings and socials will be held. He also said that the ice surface will be 85 ft. by 190 ft. being an ideal size for winter sports and very practical during the summer months for agricultural fairs as well as a farmer's market place.

Fred Magera of the municipal

relations branch, Dept. of Agriculture talked about grants, the uses an arena can be put to on a year-round basis and concluded his talk by urging the citizens of Gibbons to program their year to put the facility to full use every month of the year.

Ernie Jamison, MLA St. Albert expressed his pride in having a progressive community such as Gibbons in his constituency and announced that the Agricultural Society's application for a \$50,000 grant from the province had been accepted. He also disclosed that other grants were also available for special purposes such as promotion of agricultural marketing fairs.

Several presentations were then made to kick-off the building of this \$400,000 public project.

Wally Klatt, district agriculturist for the MD of Sturgeon presented Mr. Toane of the Agricultural Society the long-awaited charter which designates the East Sturgeon River Agriculture Society in accordance with the provincial Society's Act.

Then the money started rolling in. First was a \$1,000 cheque from the Gibbons Lions Club, presented by Gerald Kipling to the Society's treasurer Norm Epp. Next was Mrs. Kate Mabbutt, on behalf of the Gibbons Recreation Board who presented a cheque in the amount of \$6,000.

A very respected and loved citizen of Gibbons for many years made two presentations to the Society for the construction of the new arena. On behalf of her late husband, Mrs. Clara Williams presented \$100 which was made up of cash tributes made in the place of flowers contributed when Mr. Williams passed away. Mrs. Williams explained that this \$100 memorial fund, received instead of funeral tributes was what her husband Jake would want for the community. Mrs. Williams also presented \$115 to the arena fund on behalf of the Pythian Sisters.

Olsen - Huber Wedding

By Norma Crozier

The Roman Catholic Church in Bashaw, Alberta was the scene of a lovely summer wedding on Saturday, Sept. 1st. The double ring ceremony united in marriage Valerie Olsen, daughter of Mr. and Mrs. Bruce Olsen of Bashaw and Barry Huber, son of Mr. and Mrs. Leo Huber of Carbondale. Father J. Ayling and Rev. John Mash officiated.

The bride, given in marriage by her father, was radiant in her gown of white polyester peau de sole, trimmed in made applique flowers. Her 4-tiered waist length veil was held in place by a Juliet cap trimmed with matching applique flowers. She carried a bouquet of pink tea roses and white daisies.

Attending the bride were matron of honor, Mrs. Deanna Rutz and bridesmaids Vicky Holt and Theresa Huber, sister of the groom. They wore identical mint green gowns and wide brimmed white hats trimmed with green velvet ribbons. They carried bouquets of pink and white carnations.

Miss Alana Laing, niece of the bride acted as flower girl. She wore a mint green gown and carried a basket of pink and white carnations.

The groom was attended by best man Mr. Gary Ash, Mr. Jim Dalsen and Mr. Brian Halina. They were dressed in dark green jackets and cream trousers.

Mr. Patrick Olsen, nephew of the bride acted as ringbearer.

Mr. Ray Olsen, brother of the bride, and Mr. Francis Huber, brother of the groom were ushers for the wedding.

For her daughter's wedding, Mrs. Olsen chose a green floral gown with white accessories accentuated by a corsage of yellow sweetheart roses.

For her son's wedding Mrs. Huber wore a mauve floral gown with beige accessories and a corsage of yellow sweetheart roses.

Mr. Greg Olsen, brother of the bride acted as master of ceremonies at the reception held in the Elks Hall. Reverend John Mash asked the blessing. The toast to the bride was proposed by her godfather.

Mr. Joe Blalish, Miss Anna Huber was in charge of the guest book for the open house and dance.

trip to B.C., the happy couple will reside in Brooks, Alta., where they are both presently employed.

THE LIQUOR LICENSING ACT (PART 3)

(SECTION 90 (4))

NOTICE OF HEARING OF LIQUOR APPLICATION

The following notice is published in accordance with the provisions of The Liquor Licensing Act:
1. The area comprising THE VILLAGE OF GIBBONS boundaries being all that area lying within the corporate limits of the VILLAGE OF GIBBONS, has been designated as a local option area for the purposes of the above Act.

2. The Thirtieth day of October, 1973 has been set as the date upon which the Board will consider applications for licenses under the above Act, unless prior to that date the Board has received a petition signed by 500 electors of the above described local option area or 10 per cent of the number of persons named on the latest lists of electors for an election of a member or members to the Legislative Assembly from the area comprising the local option area, whichever is the lesser number, requesting that the Lieutenant Governor in Council submit to a vote of the electors of the local option area a question in respect of the class of license applied for.

Dated at Edmonton, this Twelfth day of September, 1973.

A. D. ELLIOTT, CHAIRMAN,
The Alberta Liquor Control Board

NOTE: Petitions requesting a plebiscite vote must be on the official petition forms which may be obtained from The Alberta Liquor Control Board, 12360 - 142 Street, Edmonton, T5J 2R4, together with instructions for the submission of a petition.
